The above is a picture of the first school house in Manor. It was built in 1858 and was for girls only. It contains one large room, with an entrance for stairway. The upper floor was used by the Masonic Lodge. For a number of years this was a private school and was called Parson's Female Seminary. They also had a school for boys. The following trustees paid for the school: Judge Townes, $500; Judge Parsons, $500; T. M. Rector, $500; Ed. Harrington, $500; J. B. Manor, $250, and Borhens, $250.

C. Yellowly of South Carolina was the first teacher. The next in order were D. H. Bittle, Joe Rogers, and W. I. Wroe. T. E. Bittle taught here fourteen years.

ADMINISTRATION

TO THE GRADUATES:

As Superintendent of the Manor Schools it affords me much pleasure to leave you this message.

Without seniors like those of 1936 it would be impossible to maintain a fully accredited school like that of - ours. The faculty has counted it a privilege to have had you as members of the graduating class.

As you leave Manor High may you ever press forward - seeking after wisdom and the good things in life. Remember, your life will be measured by its service to God and humanity. Your superintendent, teachers, parents, and - friends will ever be watching you, believing in you, and wishing you all the success possible in the years to come. We shall expect you to come back somebody. Do not disappoint us.

Finally, in the years to come when you meet the rough places in life, do not forget that the 1936 faculty of the Manor High will be ready to assist you in any way possible.

Your friend,

M.C.Rushing-Superintendent.

A TOAST

HERE'S TO THE PUPILS WHO CAN LAUGH AND BE GAY;
WHO WASTE NOT THEIR DAYS IN REPINING;
WHO CAN SMILE JUST AS BRIGHTLY WHEN SKIES ARE GRAY
AS THEY DO WHEN THE SUN IS SHINING.
YES, HERE'S TO THE RANKS OF THE RED AND WHITE,
CHEER FOR THEM ONCE, TWICE, THRICE;
HERE'S TO THE BEST SCHOOL OF ALL,
THE SPICIEST OF THE SPICE!
MANOR.

Mrs. W. H. Wentland
Honorary Life-Pres.

P. T. A.

To merely enumerate the long list of useful activities in which Mrs. W. H. Wentland has been engaged while serving the State in various fields gives one the impression of reading a catalogue of University degrees.

Only a few of her different positions will suffice to indicate her unusual qualifications. She has served the State Federation of Women's Clubs as President of Fifth District, Recording secretary twice, and chairman of different Departments of work in the organization. She is a charter member of the Austin Woman's Club and now a member of the Board of Directors recently elected a member of Austin Parliament Club; President of two Pioneer Clubs of Manor P. T. A., and the Literary Treasurer of Ladies Auxiliary of Texas Pharmaceutical Association; twice convention chairman of Travis County Druggist's Wives Association; Chairman of Red Cross distributors; Chairman of local Woman's division of N. R. A., Life member of Texas Congress of Parents and Teachers. Her interest is not limited to club, educational and church work, but is also prominent in politics - serving as a National delegate of the 1928 Presidential convention in Houston. Active and efficient she is in demand wherever responsible work is undertaken.

The recent honor that the Delta Kappa Gammas have added to Mrs. Wentland's long roll of activities in electing her a member of that organization, is a displayal of their own good judgment and just another recognition of her wonderful ability and peculiar fitness to serve in worth while endeavors. She is one of the outstanding women of the State who enjoys the confidence and the esteem of every organization to which she belongs. She is dignified in bearing, noble in character, and high in ideals and ethical standards.

Most connendatory among her many achievments, is the unparalleled service she has rendered in the social welfare of her own little city. Foremost among Red Cross workers, leader in building a beautiful club house in town, sponsor for raising the school to higher educational rating, and active in every forward movement for progress, she holds presiding offices in many organizations, and freely gives her time and talent to advancing her city and state.

The Delta Kappa Gammas have reason to congratulate themselves in adding to their names so capable and responsible a member as Mrs. W. H. Wentland of Manor.

FOOTBALL REVIEW

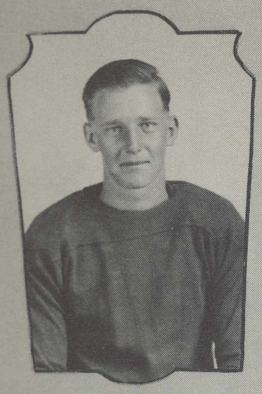

As the season was begun with only 3 lettermen, Noe, Lewallen, and Ashmore, the outlook for a successful season in 1935 was very gloomy. After a slow start in which Prairie Lea was tied and a game lost to Austin, the team began clicking and old rivals, such as - Pflugerville, Buda, and Kyle, were defeated.

The Kyle game was the high light of the season. Kyle, who was tied for the conference leadership, looked for an easy game. After a long pass from Noe to Bustin and a lateral to Lawrence, who ran 50 yards to score, the game went to Manor 13-0.

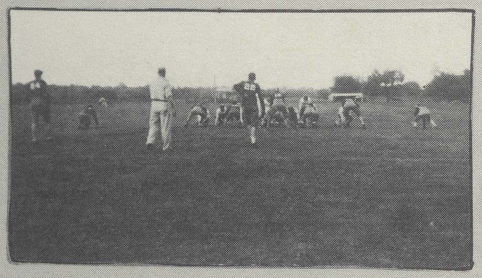

The Round Rock game, the deciding game for conference championship, was lost. Sundbeck will always be remembered as the only consistent ground gainer in that game.

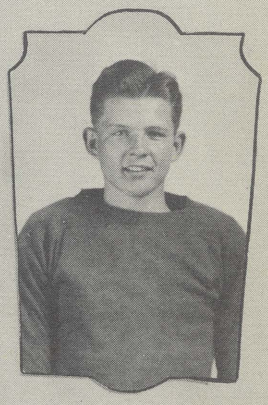

Ten lettermen will report for practice next fall, and with them and the available raw material Coach Wright expects to turn out a championship team.

Track Review

Manor had the most successful track season that she has had in a number of years with the following men winning one of the first three places in the - County Meet: Noe, Lawrence, Bustin, Anderson, Sundbeck, Rosen, Christianson, Bozart, W. Ashmore, - Blomberg, and S. P. Samuels.

Elgin came through in the sorints to take the first competition for the Mustangs by a 65-56 score. Noe and Lawrence were spectaculars in capturing the high and broad jumps respectively.

Manor, favored to win, entered the county meet at Pflugerville and ran true to form to take nine first places and enough seconds and thirds to score 72 points. Noe proved the chief point gatherer with 25 points; he was followed closely by Lawrence, Bustin, Rosen, and Anderson.

The Mustangs staged their first invitation meet with Bertran, Austin, Round Rock, Elgin, and Pfluger-ville entering. Bertram barely nosed out the strong Austin Runners by winning the mile relay.

Bustin, Lawrence, Noe, Anderson, Sundbeck, and Rosen entered the District Meet at Georgetown, and out of the strong competition Bustin, Noe, and - Anderson qualified for the Regional Meet at San Marcos. At the Regional Meet Noe failed to qualify for the State Meet, but he placed fifth out of the 28 competing.

BASKETBALL REVIEW

As the basketball league was composed of Elgin, Pflugerville, Round Rock, Hutto, and Manor, the Mustangs schedule was a stiff one. Pflugerville, closely followed by Hutto and Manor, won the championship.

The lettermen included Capt. Lawrence, Noe, Beckham, W. Ashmore, Rosen, Sprayberry, Bustin, and Christianson. Only Noe and Beckham will be lost through graduation. With the aid of the new material on hand and the new gymnasium the mustangs will be expected to put a strong team in the league next year.

Baseball

Due to a late start, the Mustangs had an unusually short season. Games were played with Austin, Pflugerville, and Buda. Captain Rosen lead the batters with a .440 average. Among the transfers, Wayland Larson and Leonard Marbuger were outstanding performers. Lettermen for the 1936 season include: Captain Rosen, Marbuger, Larson, Olsen, W. Ashmore, Noe, Lindgren, Christianson, Lee, Bustin, and Lewallen. Only Lewallen will be absent from this line-up when the Mustang roll is called next spring.

Tennis Review

Manor swept the county in all tennis competition. The squads took first places in junior boys singles, junior girls singles, junior girls doubles, senior girls singles, and senior boys doubles. They took second places in junior girls singles, junior boys doubles, and senior boys singles. The boys' squad members included W. Ashmore, Rosen, Christenson, Lee, Lundgren, and Smith. The girls' squad included Morell, Hill, Lewallen, Howell, Allison, M. Lockwood, and K. Lockwood. All of the squad members will return next year, and everything points to another winning tennis team.

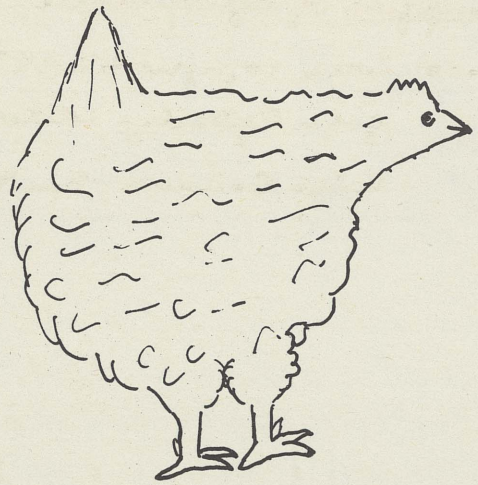

Volley Ball Review

The team although rather inexperienced showed to advantage in its competition with squads from Elgin and Pflugerville. Manor lost the county championship to the strong Pflugerville six. Even though the team will lose Capt. Kasiske and Manlow, the prospects for "36" are unusually promising because seven of the squad, Morell, Vorwerk, Newquist, Howell, Mott, Janota, and Ramm, will be in school again. In addition to the regulars of last season the group who competed as Juniors this season will make a strong bid for regulars positions.

Foreword

This, our first Campfire, is the result of our earnest attempt to record the events of our High School Days. May the contents of this book be as pleasing to the readers as the preparation of them has been to us.

Pflugerville History

In 1849 Henry Pfluger and his eight sons came to America from Germany. They landed at Galveston and from there moved to Austin. That same year two of the boys, Conrad and George, moved into a log cabin across the creek from the present town of Pflugerville. Their father, Mr. Henry Pfluger, came to this section in 1850. He settled at Brushy Knob near the forks of the Wilbarger; this place is occupied by Mr. Grover Kuempel at the present time. The William Bohle family from Bastrop settled in Pflugerville next.

The first church was a Lutheran Church, constructed in 1875, at the present site. Services had been held in the school house on the Lisso farm up to the time of the church's construction. A parsonage was built very soon after the church.

In 1895 Pflugerville had only a store, a post office, a blacksmith shop, and three residences. At that time the town was located at the crossroads about one fourth of a mile east of the present village of Pflugerville. In 1903 the town was moved to the present site.

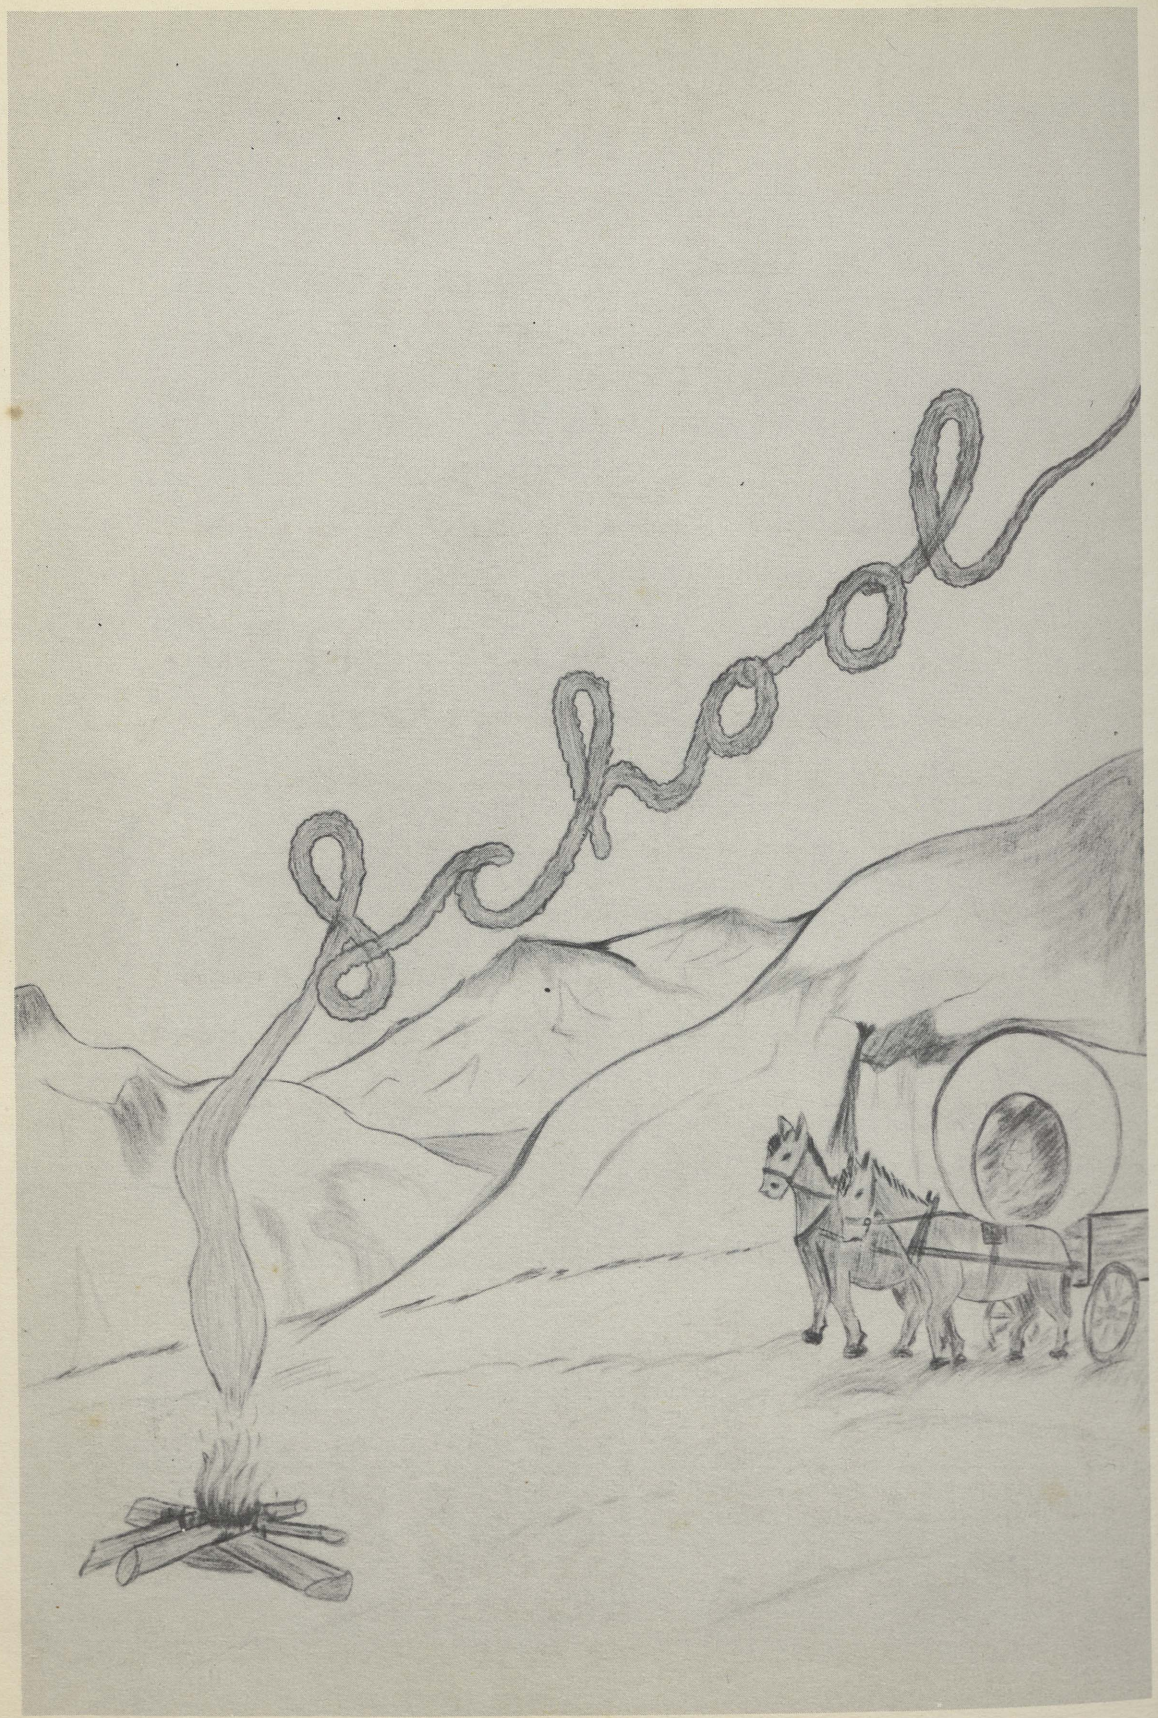

Dedication

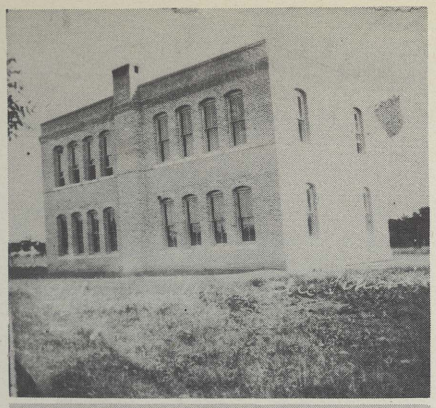

Desiring to give honor to whom honor is due, we, the senior class, dedicate this, the nineteen hundred thirty-six volume of *The Campfire*, to our superintendent, Walton C. Rowland, without whose help and loyal coöperation its publication would not have been possible.

To those who would build permanently and well, look first to character; everything else will follow rightly and in due course.

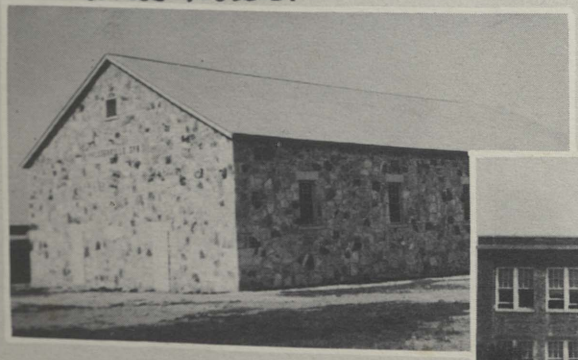

W. C. Rowland

School

First High School

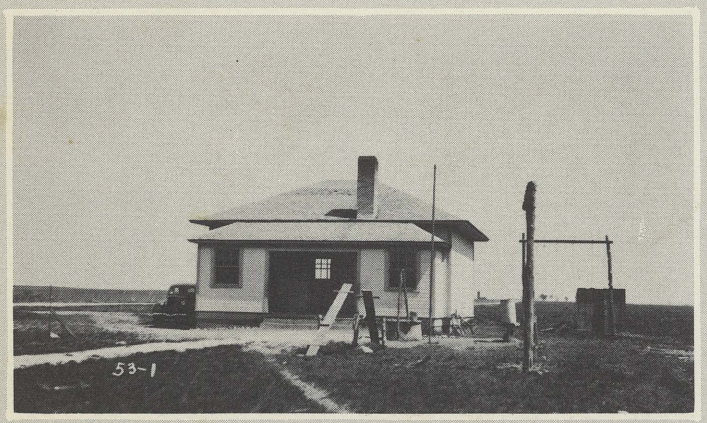

The first school Pflugerville ever had was built of cedar logs by Negro slaves. It was located on the Lisso farm. Some years later it was moved to the Carrington Ranch. From the Carrington Ranch it was moved to the church. Then the people of Pflugerville built a High School near Albert Pfluger's. In 1920, our present High School was erected after consolidating with Highland, Dessau, Centerpoint and Rowe.

A weekly feature of The Press is a column by Mr. Boerdel entitled "Short Snorts" by Uncle Joe.

A. H. Boerdel

Short Snorts

It is regretable that tickets have to be sold for good causes.

One of the oldest institutions in Pflugerville is The Press, a weekly newspaper, established in 1909. This paper has been continuously published ever since by its present owner and editor, A. H. Boerdel, who launched the first issue on August 9, 1907.

We are sorry this condition has arrived. A fellow told us about a woman who amuses her children by blowing cigarette smoke through her nose.

The city of St. Louis recently paid $8,000 for a rhinoceroses. Why in the world don't more people raise rhinoceroses?

It can't rain until it gets cooler and it won't get cooler until it rains.

If the newspapers would print all the news a lot of so-called prominent guys would be in jail.

UNCLE JOE.

A Kansas paper says the federal government proposes to aid the jobless actors and actresses by organizing them into road shows which will be free to the public. Yet the general public is entitled to some consideration.

Our Lazy Friend says if he ever commits suicide it will be by a slow method, as he would wish to see how many of his friends would grieve about it.

Man let woman have her way 4,000 years ago, says an ex-change. And speaking from experience, Uncle Joe, humbly suggest that we are doing the same thing now.

Some of the old-timers have been insisting that the winters are milder. We know the summers are.

Nobody knows how big the universe is, yet some people always act as if they owned it.

They say no news is good news, but we don't agree with it when we are looking for those delinquent subscriptions.

FOOTBALL

When the football season opened this year, under our new coach, Mr. Coers, we decided the first thing to do was to get some new equipment. All that we had was worn out. We got busy, put on a carnival, and the next day bought eleven new outfits. We worked under handicaps, and the season was not a failure.

BASKETBALL

Our basketball season opened more auspiciously than our football season did. Shortly after the season opened, we journeyed to Georgetown to take part in an invitation tournament. Our efforts were successful and we brought home the trophy. A league, comprising Manor, Hutto, Elgin, Round Rock, and Pflugerville was formed, and again we were ahead. Later came the games for the county championship; after winning them, we took part in the district tournament. Here we were defeated, but we feel we had a successful season.

With the opening of the volley ball season, we had the largest squad out for practice that we have had for several seasons. Although we have practiced almost entirely on an indoor court, we have had to play on an outdoor court four times. We lost to Round Rock 2-1, the first time we played on an open court. Later we played Manor twice and Elgin once on an open court and we won all three contests.

We are now looking forward to the district tournament. Last year we won second in the district meet, losing to Leander in the finals. This year we plan to do better, and win the district championship. May our efforts not be in vain.

History

THE FIRST CREEDMOOR SCHOOL WAS BUILT IN 1880. IT WAS LOCATED WHERE THE WILL KEIKE HOME NOW STANDS, WHICH IS A DISTANCE OF SEVERAL MILES FROM THE LOCATION OF THE PRESENT SCHOOL. MISS IDA RICE WAS THE TEACHER OF THIS SMALL ONE-TEACHER SCHOOL. THE SCHOOL BOARD CONSISTED OF DR. R. AITON, JAKE STEUSSEY, AND J. D. CAMPBELL.

A NUMBER OF YEARS LATER THE SCHOOL WAS MOVED TO THE SITE WHERE THE CREEDMOOR GIN IS NOW LOCATED. IT WAS KNOWN AS THE WILLOW SPRINGS SCHOOL, THIS NAME APPARENTLY HAVING BEEN CHOSEN BECAUSE OF THE MANY WILLOW TREES WHICH SURROUNDED THE NEARBY SPRINGS. IT WAS AT FIRST A ONE-TEACHER SCHOOL WITH MISS BELL MILLER AS TEACHER. LATER ANOTHER ROOM WAS ADDED AND THE FACULTY INCREASED TO TWO TEACHERS.

AN INCREASED ENROLLMENT RESULTED IN THE ERECTION OF A FOUR-ROOM BUILDING IN 1909. THIS WAS BUILT WHERE THE PRESENT SCHOOL BUILDING IS NOW LOCATED. THE FIRST PRINCIPAL IN THIS BUILDING WAS MR. GRINDSTAFF. THIS BUILDING WAS SWEPT AWAY BY A DISASTEROUS CYCLONE IN THE YEAR OF 1921.

SCHOOL WAS CONDUCTED IN THE MASONIC HALL WHILE THE PRESENT BUILDING WAS BEING PLANNED AND CONSTRUCTED. THIS COVERED A PERIOD OF APPROXIMATELY TWO YEARS.

THE PRESENT BUILDING, A BRICK STRUCTURE OF SIX ROOMS WAS COMPLETED AND OCCUPIED IN 1923. W. G. SCOTT SERVED AS ITS FIRST PRINCIPAL. IN THIS BUILDING VARIOUS TEACHERS HAVE TAUGHT, MANY PUPILS HAVE PASSED THROUGH ITS ROOMS, A NUMBER OF TRUSTEES HAVE SERVED IT, AND MANY PATRONS HAVE SUPPORTED IT. IT STANDS AS A MONUMENT TO THE SINCERE EFFORTS OF THESE GROUPS; IT WILL SURVIVE THE STRESS AND STRIFE OF TIME IF THOSE WHO FOLLOW WILL SO LOYALLY SUPPORT IT AS DID THEIR ANCESTORS.

HISTORY

COLORADO SCHOOL, LOCATED ABOUT FOUR MILES SOUTH-EAST OF AUSTIN ON THE AUSTIN-BASTROP HIGHWAY, SERVES THE DISTRICT JUST SOUTH OF THE COLORADO RIVER. A HUNDRED YEARS AGO ON THE TRAIL THAT LED FROM THE PLACE WHERE AUSTIN IS NOW LOCATED TO BASTROP WAS A LARGE GROUP OF BEAUTIFUL LIVE-OAK TREES AND A CLEAR, COOL SPRING WHICH LAY SOME FEW MILES DOWN THE RIVER FROM THE FORD. HERE STOOD A RUDE CABIN WITH ITS CHURCH STEEPLE AND TWO LARGE FIREPLACES, ONE AT EITHER END OF THE BUILDING. THIS WAS THE FIRST SCHOOL BUILDING, AND THE TEACHERS WHO TAUGHT DURING THE WEEK, OFTEN PREACHED IN THE SCHOOL ON SUNDAYS. MR. NICHOLS MCARTHUR SUBSEQUENTLY GAVE BOTH THE LAND AND THE BUILDING TO THE COLORADO COMMUNITY. MR. MCARTHUR BUILT HIS OWN HOME BETWEEN COLORADO SCHOOL AND THE RIVER. THAT HOME, BUILT BEFORE TEXAS BECAME A STATE, HAS WITHSTOOD THE RAVAGES OF THE YEARS AND THE FLOODS OF 1869 AND 1935. TODAY THE FOURTH GENERATION OF THE FAMILY IS LIVING IN IT.

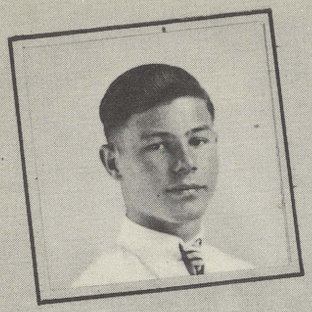

AFTER THE DEATH OF MR. MCARTHUR, HIS SON, JIM MCARTHUR, AND HIS DAUGHTER, MRS. MARY ELIZABETH MCARTHUR SNEED, INHERITED THE PROPERTY. MR. JIM MCARTHUR SOLD SOME OF THE LAND TO MR. ANDREW DAVIDSON. THE HIGHWAY WAS CHANGED AFTER THE CLOSE OF THE CIVIL WAR, AND MR. DAVIDSON GAVE SOME LAND ON THE NEW HIGHWAY FOR SCHOOL AND CHURCH PURPOSES. THE OLD BUILDING THAT HAD BEEN STANDING BY "AUNT EMMALINE SPRINGS" WAS MOVED TO THE NEW LOCATION. YEARS LATER A SECOND ROOM WAS ADDED, AND THE SECOND TEACHER EMPLOYED. SOON AFTER THE CLOSE OF THE CIVIL WAR A SCHOOL, TAUGHT BY A WHITE MAN AT FIRST, HAD BEEN ESTABLISHED FOR THE NEGROES IN THE COMMUNITY.

IN 1921 THE OLD BUILDING THAT HAD SERVED SINCE THE DAYS OF MEXICAN RULE WAS TORN DOWN. A NEW TWO-ROOM BRICK BUILDING WAS ERECTED. IN 1934 SOME ADJACENT LAND WAS BOUGHT AND A MEXICAN SCHOOL WAS BUILT. THAT SAME YEAR A NEW BUILDING FOR THE NEGROES WAS ERECTED TO TAKE THE PLACE OF A RENTED ONE. DURING 1935 THE THIRD ROOM, A PRIMARY ROOM SEPARATE FROM THE MAIN BUILDING, WAS ADDED TO THE WHITE SCHOOL, AND THE THIRD TEACHER WAS EMPLOYED. THUS THE COLORADO SCHOOL OF TODAY, STANDING WITHIN A QUARTER OF A MILE OF THE SCHOOL OF MORE THAN A CENTURY AGO, CONTINUES TO SERVE THE COMMUNITY.

History

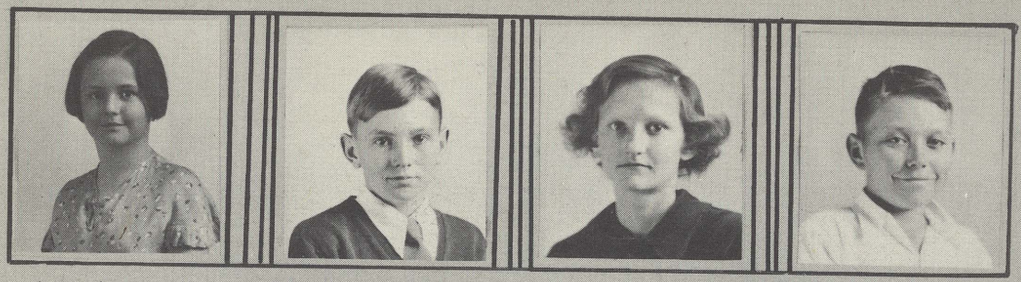

In 1866 a log house was built just above Spicewoods Springs which the people named Esperanza, a Spanish word, they took to mean pretty or beautiful. This name was chosen because of the beautiful scenery made by the hills and evergreens which surrounded the little building. This little log house was used for seven years. The school was then moved to the southeast corner of the Old County Farm, now owned by the McElroy estate. The school remained at this location until 1893, when a one-room frame building was constructed at the present sight on the Upper Georgetown Road. The building was torn down in 1922 to make way for a modern two-room building erected to face the West instead of the East. In 1934 a third-room was added to the structure to accomodate the enrollment.

Even though the name of the school is a Spanish word, there is no record of a Spanish or Mexican child ever attending the school. The district has neither a Mexican nor a Negro school.

HISTORY OF GARFIELD SCHOOL

Originally, Garfield was a church built on land donated by Colonel Caldwell to his brother-in-law, Rev. Haynie. Later it was moved to Haynie's Chapel.

Here the first school house was built of logs. It was also used as a church and is still standing. It was a one-teacher school with only one door and one window made of hinged plank. The pupils sat on split log benches, and wrote on slates instead of blackboards or paper. Haynie's Chapel was changed to Garfield in honor of President Garfield.

Garfield then erected a frame schoolhouse in 1892. This was one long room with four windows boasting of glass panes. There was a double door at the front and a single one at the back. There was a stage for speeches, etc. in one corner of the room. At first, the children sat on benches, but before long, these were changed to double desks. Painted wall boards were used as blackboards. This building was used until 1915.

In 1916, the present building was erected on land bought from Mr. Jim Berry. These are three class rooms, and three storage rooms, and a kitchen. At first, only two of the rooms were used for class work. The other room was used as living quarters for the teachers.

The modern equipment of which we are proud, has been added gradually by the trustees and the P. T. A.

The Health Crusade was organized in 1919. The pupils won the loving cup, the health fairy, pictures, and many banners for their work. A piano scarf was made out of the banners.

This year the Garfield School organized a Home Economics Club, a Tennis Club, a volley ball team, and a 4-H Club.

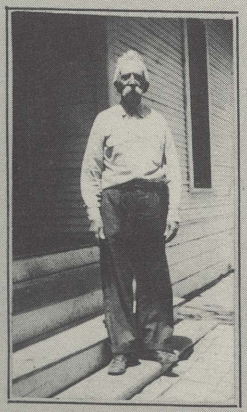

At the County Meet on March 27, we won first place in Rural Pentathlon and the 3-R Contest, second place in Junior and senior girl's tennis, and third place in Volley ball, senior boy's declamation, essay, and High School Spelling.

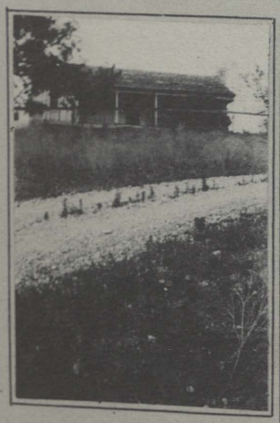

At the district meet in Georgetown, Lois Fogle won 3rd place in the 3-R Contest and Nelson Buck 3rd in Rural Pentathlon. Nadine Gattis placed in the Centennial Essay Contest.

From the Garfield School, students have gone on to schools of higher learning. We have several students now in the Austin High School.

1920 · Parent-Teachers Association · 1936

While the organization membership has been small most of the time, we have always maintained a few earnest workers. Money has been raised by home talent plays, pie suppers, ice cream and oyster suppers, private subscriptions, and bringing in outside entertainment.

Various things have been purchased for the school with the money made namely, piano, victrola, shrubbery, folding chairs, sand tables, gasoline lanterns, curtains, pictures, also frames for pictures, decorations, Christmas fruits and candies for all children, prizes, and trips to the A. & M. Short Course, an underground cistern, grading and leveling school ground, equipment for teaching Home Economics, stove, dishes, kitchen sink, machine, also material for one hot dish on cold days for all children.

The 1936 officers, Mrs. Howard Norwood, President, Mrs. Jim Boatright, Vice-President, Mrs. Walter Jones, Secretary, Mrs. Friend Boatright, Treasurer, Mrs. Malcom Haley, Reporter.

History

ELROY HISTORY

IT IS SAID THAT SANTA ANNA GAVE MOST OF THE LAND NOW INCLUDED IN ELROY TO ONE OF HIS OFFICERS. THIS MAN LATER TRADED ALL OF HIS GRANT FOR A HORSE AND SADDLE, TO RETURN TO MEXICO.

THIS COMMUNITY WAS FIRST CALLED DRISKILL FOR THE MAN WHO OWNED MOST OF THE TERRITORY NOW INCLUDED IN THE SETTLEMENT. LATER A SON BUILT THE DRISKILL HOTEL IN AUSTIN.

IN 1892, MR. A. A. MOLUND BUILT THE FIRST HOUSE IN THE COMMUNITY.

BY 1894, THERE WERE ENOUGH PEOPLE TO ORGANIZE A SCHOOL DISTRICT. THE SCHOOL WAS BUILT IN THE SUMMER OF 1894, AND MR. DAN ROSS WAS ELECTED AS THE FIRST TRUSTEE. MR. ROSS HIRED A MRS. PETTIS TO TEACH THE FIRST YEAR, A TERM OF SIX MONTHS.

IN 1896, THE FIRST STORE WAS BUILT; TWO YEARS LATER (1898) THE FIRST CHURCH WAS BUILT, AND A POSTOFFICE WAS ESTABLISHED. THE POSTOFFICE WAS GIVEN THE NAME OF ELROY, AND FROM THIS TIME THE COMMUNITY WAS KNOWN BY THAT NAME.

THE FIRST YEAR TWO TEACHERS WERE USED WAS IN 1901. THE TEACHERS HAD TO TEACH IN THE SAME ROOM. AFTER TWO YEARS (1903) THE SECOND TEACHER WAS DISPENSED WITH, AND THE TERM LENGTHENED TO SEVEN MONTHS.

THEN IN THE SUMMER OF 1906, THE SECOND ROOM WAS ADDED TO THE SCHOOL. ELROY WAS THEN A TWO TEACHER SCHOOL UNTIL 1909, WHEN THE THIRD ROOM WAS ADDED, AND THE THIRD TEACHER WAS HIRED. IN 1911 THE SCHOOL FIRST HAD A TERM OF EIGHT MONTHS. IT HAS REMAINED AN EIGHT MONTHS SCHOOL, WITH THREE TEACHERS, SINCE THAT TIME.

DURING THE YEARS OF 1916-17, THE PRESENT SCHOOL, A THREE ROOM BRICK VENEER, WAS BUILT.

HISTORY OF HORNSBY–DUNLAP SCHOOL

In July, 1832, Rueben Hornsby moved to the place which has since been known as Hornsby's Bend. A well fortified stockade was first built, this being necessary because of hostile Indians who went to plunder and kill at Random.

In August 1833, Josiah Wilbarger, in company with four other men, one a surveyor, rode out from Hornsby's to look over the country. The party was ambushed by Indians about six miles northwest from Hornsby's near Walnut Creek. Two were killed and two escaped. Wilbarger was wounded, scalped, and reported the death of their three companions.

Wilbarger was found following a dream by Mrs. Hornsby in which she saw him alive but wounded. She urged her husband to find him which resulted in the return of Wilbarger to the Hornsby home where he was nursed back to health.

For several years there were two schools in this community, the Hornsby School and the Dunlap School, situated three and one–half miles apart on the Austin–Webberville road.

In 1905, the commissioners court passed the order to consolidate the two schools, and the district was then called Hornsby–Dunlap. The first trustees were: W. M. Jones, H. T. Bowman, and J. M. Hornsby. A local tax of 10¢ were also voted for incidental expenses. The ground selected for the school site lies on the former district line and was donated by Mr. & Mrs. Will Bowman. The first session of the consolidated school began Monday, October 15, 1906, with Mr. J. R. King, Principal.

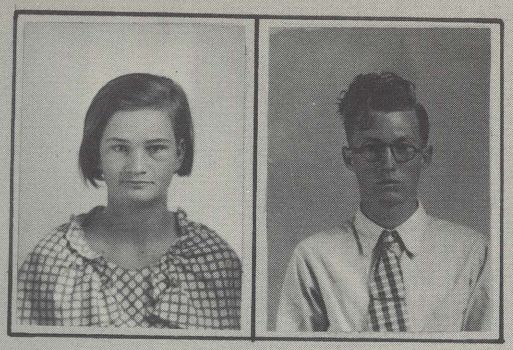

M. M. Hornsby and eldest son, J. M. (Father of Senator J. W. Hornsby).

Mr. Hornsby helped build the rock church which was used for the first school in 1867 He first served as Sheriff of Travis County in 1880.

VOLLEY BALL

History

We dedicate this book to Joseph Jenkins Davis, Secretary of the Board, school advisor, and friend. Mr. Davis attended school here, sent his only child to the same school, and unselfishly had the district lines changed so that he might be of greater service to the community of his choice, even though it doubled his taxes.

During the Reconstruction days of Texas, just after the Civil War, and while there was a stage line operated between Austin and San Antonio, there was a company of soldiers camped at a spring just south of where the stage line crossed Onion Creek. Now the old Post Road crosses at the same place.

The soldiers were there for the protection of the settlers against the Comanche Indians, and of the stage coaches against highwaymen. The officer in charge of the company of soldiers was Colonel Manchaca. So the spring became known as Manchaca Springs.

Years later, when the International and Great Northern Railway was constructed, and the village located, it also was named for the old, honored, and well liked Colonel Manchaca.

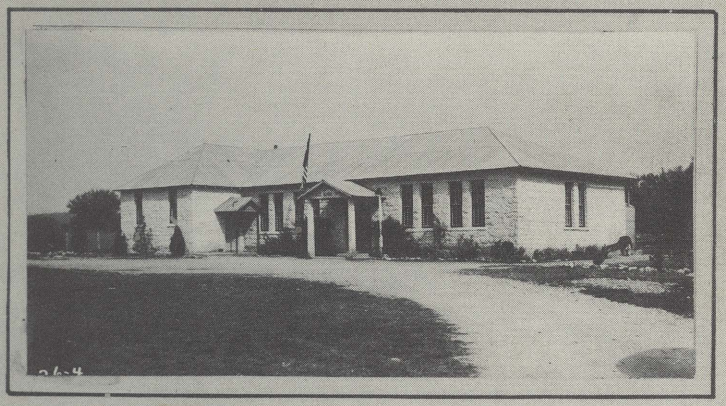

The first school building was of the old box house type, a partial picture of which is shown. About 1905 a two room, one story brick building was constructed, and in 1920 a second story was built.

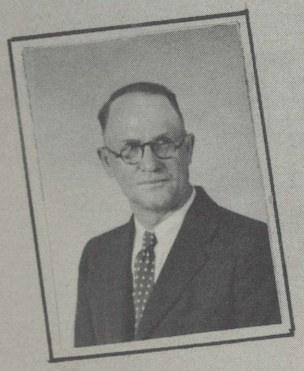

The oldest resident, Uncle Alf Matthews, came to Manchaca in 1850 when he was only six years old. When a young man, he visited the station on the stage line at Manchaca Springs. There he met Miss Josephine Turley whose father was the keeper of the stage stables. This couple was later married, reared a family in Manchaca, and is now living in the house where Mrs. Matthews was reared.

History

An old register with the name "Live Oak Springs School", J. A. Baker, teacher, comencing September 15 and ending December 12, 1856 is the first record of any school in this community.

This was held in a log room on the place of Mr. and Mrs. George Hirsner. School was held until the Civil War at which time it was discontinued.

The next school was a pay school in a log building on what is now known as the Wheeler place. This school, of 1865, was called Shiloh. Miss Mollie Oldham of Bear Creek was the first teacher. Mr. T. H. Kagey taught eleven months from 1866 to 1867. Teachers following Mr. Kagey were Chris Heisner and C. E. Hudson.

After Shiloh was discontinued and the building bought by the Wheeler family and occupied by Mr. Thomas Williams as a shoe shop and dwelling house, private school was held at several places with small attendance. One of these was on the Nichels place in a log building formerly used as slave quarters.

In 1871 a private German school for boys was held on the Trautwein place on Slaughter Creek. A Mr. Schmidt was the teacher.

After the public land of Texas was declared school land the revenue from rentals, leases and sale of such land was used to make the first apportionment for public schools.

A school supervisor was appointed by the name of S. G. Sneed. The first trustees for Commissioners Precinct No.3, were J. M. Patton, Robert Eanes, and Mr. Turley who were to establish schools in their precinct.

Trustees were elected in each community desiring a school. By election August 16, 1879 the first trustees for Oak Hill (then known as Oatmanville) were S. R. Yates, D. U. Downing and J. A. Patton. Mr. Patton has served as trustee for about forty years.

Peter Thompson gave two acres of land, materials were purchased and patrons under supervision of Columbus Patton constructed a frame one-room building. All gave their services free of charge. Mr. Hauseman was the first teacher. It became a two teacher school in 1907. A curtain was hung in the center of the room to make two rooms.

In 1924 two rooms of the present rock building were erected and paid for by a bond issue. The land on which the building stands was donated by J. A. Patton. Norwall Mowinckle gave the stone.

In 1933 a third room was added, R. F. C. funds being used to pay for the structure.

The Oak Hill P. T. A., organized Oct. 1927, has demonstrated its ability to bridge the gap between dispensation of instruction by the school faculty and the direction of the board of trustees in providing necessary equipment not ordinarily had through regular channels—the books for the library and supplies for the children, etc. The organization endeavors at all times to carry out the purposes for which it is intended.

History of Richland School

In 1877 Mr. F. Schmidt, Jr. saw the need of education and offered his home as a place for school. Miss Rush taught the first term; the following year, 1878, a joint meeting of the people of the community under the direction of Mr. Schmidt resulted in a school on the one acre of land donated by Mr. Schmidt. A very simple structure was built and named -Richland- in honor of the rich land in the district. At that time there were no conveniences in the classroom nor playground facilities. The first terms were very short and poorly attended. During 1881 and 1882 Rev. Schroeder taught the school. The first trustees were elected about this time and they paid Rev. Schroeder $500, for preaching one year and teaching four months.

In 1885 the county came to the aid of Richland district. Two acres of land were given at the site where the present school is located. The old school was sold and a new one built. Until 1895 the schoolhouse also served as a church. About this time the state began to furnish enough funds to engage full-time teachers.

In 1902 Richland Community voted an extra bond which was the first school bond voted in the county north of the Colorado River. This bond enabled the district to enlarge to a two teacher school. About this time, William Pfennig, Jr., became principal of the school.

In 1917 another room was annexed and the school acquired a third teacher. Credit is due its first faculty, Adele Kruger, Principal, and her assistant, Miss Nell Krueger, and M Theodore Knicker. In 1927 a new modern three-room building was constructed.

HISTORY

In the year 1882 the pioneers of the Decker community built a one-room school house, and named it Decker School for the name of the two streams which flow nearby. The first trustees were: F.G. Swenson, John Lundell, and August Spomberg. Miss Mary Peters was the first teacher of the school.

The enrollment rapidly increased and it is said that in a few years there were so many pupils that one little boy started school and attended for three days before the teacher noticed him. At this time the pupils were not classified according to grades but rather according to the reader he was able to read. Programs were presented at the school on Friday afternoons when the pupils were called on for speeches.

It was soon necessary to enlarge the classroom because of the increased enrollment.

During the first years of the twentieth century, changes took place in our educational system. The little school on the hill was also effected by these changes. Modern equipment supplanted the old, and conditions generally improved.

One morning, in the Spring of 1907, the children experienced that feeling of mingled joy and sorrow when, on their way to school, they discovered that the old school house had been claimed by flames from an unknown source. This meant the unexpected beginning of the summer vacation. During the following summer, the present school building was erected. Miss Margarite Carlson, now Mrs. H. M. Munger of Dallas, and Miss Hulda Lindgreen, now Mrs. Joe Swahn of Elgin, were the first to teach in the new school.

During the period 1910-1920 an acre of ground was purchased adjoining the original one-half acre. The building was remodled and new equipment, including an organ, was added. During the war time period, a local Red Cross organization was formed, and a Savings Stamps Campaign was successfully carried on among the children. Several ex-pupils of the school served in the army, some of them in France.

In 1923 a third room was built and a third teacher was employed. The school was classified as a Standard "A" School in 1928. During this year, the Parent Teachers Association was organized, and its first president was Mrs. C. O. Cedar.

The school has taken an active part in Interscholastic League activities. Out-standing achievements include: the winning of eleven first places in county events during the year 1932; during the same year, Margurite Swenson won in the State Final Senior Girls Declamation; the school won County Championship for two consecutive years; the Boys Playground Ball Team won first place for five consecutive years.

The Seventh Grade pupils of 1934 won the County Banner for the highest grade average, and Hazel Ekdahl won first place for the highest individual grade average for girls.

The boys of the school maintain an active 4-H Club, and their work is out-standing.

The Parent Teachers Association is very active, meeting at the school once every six weeks during evening. The meeting is supplemented by a program presented by the pupils of the school and takes the form of a community entertainment. The present president is Mrs. T. E. Swenson.

The most recently formed organization is the Centennial Club. The organization consists of pupils of the upper grades whose chief objective, in this club, is one-hundred per cent attendance at the Centennial in Dallas.

THE CLUBS HAVE AIDED THE SCHOOL IN ITS MANY ACHIEVEMENTS THE LAST DECADE. THE WOMEN WITH ONE TREASURE, ONE AIM, TO SERVE, HAVE PLACED A SINK AND RUNNING WATER IN THE SCHOOL BUILDING; AN OIL STOVE WITH A CLOSED BOILER PROVIDES HOT LUNCH, EQUIPMENT AND NECESSITIES FOR SERVING REFRESHMENTS FOR MONEY MAKING PROJECTS.

A FIRST AID KIT, PAPER TOWELS, SCREENED LUNCH SHELVES, AND HEALTH SCALES ADD HEALTH, EFFICIENCY, AND SANITATION. WALKS AND FENCES HAVE BEEN BUILT; PLAYGROUND APPARATUS INSTALLED; APPROPRIATE PICTURES HAVE BEEN FRAMED; RHYTHM BAND INSTRUMENTS PURCHASED, AND A HECTOGRAPH HAS BEEN ADDED. THE WOMEN HAVE SPONSORED TRIPS TO A. & M. COLLEGE FOR BOYS, GIRLS, AND WOMEN. OLD FASHIONED QUILTINGS, ARMISTICE FLOATS, BABY CLOTHES TO PUBLIC HEALTH NURSE, HAVE BEEN ENTHUSIASTIC PROJECTS.

THEY HAVE ENTERTAINED COUNTY GROUPS FOR INSPIRATION, VISITED THE SICK, SENT FLOWERS, AND HAVE GIVEN SHOWERS TO FRIENDS, TEACHERS, AND BRIDES.

THE 7TH GRADE EXAMINATIONS HAVE BEEN HELD AT FISKVILLE FOR A NUMBER OF YEARS WHERE P. T. A. HAVE SERVED LUNCH TO CHILDREN AT NOMINAL PRICES. FRUIT AND CANDY HAVE BEEN GIVEN AT CHRISTMAS TIME FOR ALL THE CHILDREN, AND VISITORS CHAIRS WERE BOUGHT TO MEET PHYSICAL REQUIREMENTS FOR RURAL SCHOOL STANDARDIZATION WHICH HAS BEEN ATTAINED FOR THE PAST NINE OR TEN YEARS.

THE SCHOOL YARD, WITH ITS ATTRACTIVE PLANTINGS, HAS WON PRIZES BECAUSE OF THE P. T. A. EFFORTS.

OLD ROCK CHURCH

MR. & MRS. WILLIAM STILES

HISTORY OF GREGG SCHOOL

GREGG SCHOOL IS LOCATED ABOUT TWELVE MILES NORTHEAST OF AUSTIN BETWEEN PFLUGERVILLE AND MANOR ON THE CAMERON ROAD. THE CAMPUS IS LARGE AND SLOPING, MAKING AN EXCELLENT SETTING FOR THE WHITE, BLUE-TRIMMED THREE-ROOM BUILDING, WHICH SITS PICTURESQUELY AGAINST THE SKY.

ONE ACRE OF LAND WAS DONATED BY THE LATE WILLIAM STILES IN 1870. THE FIRST SCHOOL WAS THE GILLAND CREEK ACADEMY. THE BUILDING WAS OF ROCK, BOTH ARCHITECT AND BUILDER.

THE SCHOOL WAS OPENED IN 1871, AND WAS TAUGHT BY A MR. DEW. IT WAS NOT A DISTRICT SCHOOL, BUT A COMMUNITY SCHOOL, AND THE PUPILS WERE CHARGED TUITION. THE FIRST SCHOOL BOARD MEMBERS WERE WILLIAM BOYCE, WILLIAM HILL, CAMELL HILL, LEE GILES, WILLIAM STILES, AND AARON BOYCE.

MR. DEW BOARDED WITH MRS. KATE BOYCE, A PRESENT MEMBER OF THE COMMUNITY. MANY PUPILS FROM WILLIAMSON COUNTY CAME TO ATTEND THE ACADEMY. MR. DEW MARRIED IN 1872, AND THE SCHOOL BOARD BUILT A FOUR-ROOM COTTAGE JUST IN FRONT OF THE SCHOOLHOUSE FOR HIM AND HIS WIFE. HE REMAINED THERE FROM 1872 UNTIL 1882.

THE SECOND TEACHER WAS MISS HATTIE HARDY, WHO LATER MARRIED A MR. CAIN AND REMAINED THERE AS THE TEACHER FROM 1882 UNTIL 1896. AFTER THAT TIME MRS. CAIN MADE HER HOME IN MANOR.

ABOUT 1888, MR. WILLIAM GREGG OPENED A STORE AND POST OFFICE, CALLED GREGG, AND THE SCHOOL SOON ASSUMED THE TITLE OF GREGG SCHOOL. MR. SHIRLEY GREGG, MISS MARTHA GREGG, AND MISS BROWN GREGG STILL OPERATE THE STORE AND LIVE IN THE COMMUNITY. THE WALLS OF THE OLD ROCK BUILDING WERE NEVER PLASTERED; THE BENCHES WERE LONG AND ROUGH; THERE WERE NO DESKS. IN 1910 THE OLD ROCK BUILDING WAS TORN DOWN, AND THE PRESENT FRAME BUILDING WAS ERECTED BY WESTLEY GUSTAFSON.

METHODISTS, CHRISTIANS, AND SWEDISH LUTHERANS HELD SUNDAY SERVICE IN THE SCHOOLHOUSE. IN 1900 THE GILLAND CREEK ACADEMY BECAME KNOWN AS THE ROCK CHURCH.

History

LUND IS SITUATED IN THE EASTERN CORNER OF TRAVIS COUNTY. IT IS IN THE FINEST AGRICULTURAL SECTIONS OF THE STATE OF TEXAS, HAVING THE BLACK WAXY PRAIRIE SOIL THAT IS ALMOST INSURPASSABLE ANYWHERE IN RICHNESS AND FERTILITY.

THE FIRST SCHOOL WAS BUILT IN THE FALL OF 1894 AND WAS CALLED PLEASANT HILL. THE BUILDING WAS TWENTY-FIVE BY THIRTY-FIVE FEET AND HAD WINDOWS ON BOTH SIDES.

THE FIRST SCHOOL TERM BEGAN JANUARY 1, 1895 AND LASTED THREE MONTHS. THE TEACHER WAS MISS LILLIAN GOOLSBY FROM TENNESSEE.

THE DRINKING WATER WAS CARRIED IN A BUCKET FROM THE JOHN FORSDAHL HOME, NOW OWNED BY CARL LARSON AND THE SCHOOL BOYS HAD TO CUT THE WOOD USED FOR FUEL.

ONLY ABOUT 40% OF THE SURROUNDING LAND WAS IN CULTIVATION.

THE FOLLOWING PUPILS ATTENDED THIS SCHOOL: ALBERT AND AXEL WELANDER, OLGA SEAHOLM, CHRISTINE AND ANNA EDLING, BESSIE AND AQUILINE PETERSON, HERMAN GOETZ, FAUKNER AND RICHARD EIBEN, ANNIE, NILS, AND ELSA JOHNSON, GUS SEAHOLM, CARL AND FRED LUNDGREN.

THE NAME OF THE SCHOOL WAS CHANGED TO LUND IN 1899.

LUND SCHOOL, THE PRIDE OF THE COMMUNITY, IS NOW A MODERN, UP-TO-DATE, TWO-ROOM SCHOOL BUILDING, LOCATED ON A GRAVEL ROAD.

KIMBRO SCHOOL HISTORY

THE NAME KIMBRO WAS DERIVED FROM A MEXICAN LAND OWNER BY THAT NAME. IT WAS FIRST CALLED COTTONWOOD FOR COTTONWOOD CREEK. IT WAS SETTLED IN 1877 BY MR. WILLIAM SMITH WHO BOUGHT 113 ACRES OF LAND FROM A MR. SAMPSON FOR $5.30 PER ACRE. IT IS SAID THIS LAND WAS PURCHASED BY MR. SAMPSON FOR 60¢ PER ACRE FROM A DOCTOR BILL. ANDERSON LEFT, NEVER TO RETURN, BECAUSE OF NUMEROUS RATTLESNAKES.

THE FIRST SCHOOL WAS BUILT IN THE LATTER PART OF THE NINETEENTH CENTURY. THE FIRST TRUSTEES WERE C.M. MOORE, WILLIAM SMITH, AND EMIL LUNDGREN. THE FIRST TEACHER WAS MISS MARY ALMQUIST, WHO NOW LIVES IN AUSTIN. THE PRESENT BUILDING WAS ERECTED IN 1914.

A GENERAL STORE WAS OPENED IN 1900 BY A.F. SMITH AND CARL SANDAHL, BUT IS NOW OWNED BY WALTER LIND. A GARAGE FILLING STATION, GIN, AND A STORE ARE OPERATED BY HENRY CHRISTENSEN. THE GIN IS OWNED BY T. A. CHRISTENSEN

LITTIG SCHOOL

ABOUT FORTY-NINE YEARS AGO, A COMMUNITY WAS SITUATED ON WILBARGER CREEK, WHICH IS NOW IN SCHOOL DISTRICT No. 30. THE COMMUNITY AT THAT TIME HAD NO SCHOOL NOR CHURCH. THEY WERE VERY ANXIOUS TO HAVE A BUILDING THAT WOULD SERVE FOR BOTH PURPOSES SO THE PROBLEM WAS SOLVED WHEN CAPTAIN J. W. BITTING GAVE AN ACRE OF LAND ADJOINING THE NAIRN FARM. THE PEOPLE WHO DONATED MONEY TO BUY THE LUMBER AND BUILD THE SCHOOL WERE MESSRS: T. F. NAIRN, W. M. McKENZIE, DAN WILLIAMS, TOM FOWLER, M. SHERMAN, FRITZ SCHWARTZ, CLAIBORNE OSBORN, AND W. MARTIN.

THE SCHOOL WAS BUILT IN THE FALL OF 1887 CONSISTING OF ONE LARGE ROOM FURNISHED WITH CRUDE HOME-MADE BENCHES AND DESKS. THE NEIGHBORHOOD WAS PROUD OF IT FOR IT WAS THEIR VERY OWN.

THE FIRST TRUSTEES WERE MESSRS: T. F. NAIRN, DAN WILLIAMS, AND TOM FOWLER. MR. P. A. HAWTHORNE WAS THE FIRST TEACHER.

THE SCHOOL WAS A ONE-TEACHER SCHOOL UNTIL 1913. AN ADDITION WAS BUILT AT THIS TIME AND MODERN EQUIPMENT INSTALLED.

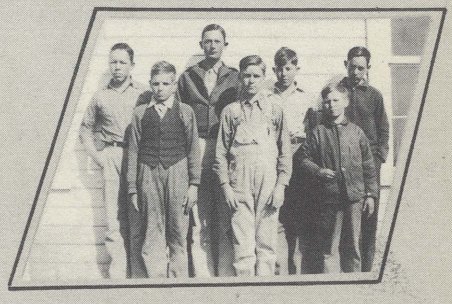

THE SCHOOL WAS FIRST PUT ON RECORD AS BITTING SCHOOL No. 1, BUT WAS LATER RECORDED AS LITTIG WHITE SCHOOL No. 1.

HISTORY OF MAHA

The community of Maha is in the Southeast corner of Travis County, near the Bastrop and Caldwell county lines.

The nearest approach of white people to Maha was made by the Spaniards many years ago, for a few miles to the East runs the Old Spanish Road which was once the main thorough fare between San Antonio and Houston, and much used during the Texas Revolution.

When the first settlers came here more than fifty years ago, they saw possibilities of a rich farming country, then covered with mesquite trees and mesquite grass. These people, either for lack of a better name or through an unflinching sense of humor, called their settlement the "Poor Farm"; but it gradually came to be known as Maha because of Maha Creek, which flows through it.

In the early part of the nineties the first schoolhouse was built. It was a small building 36x20 feet, of crude lumber with the heavy wooden shutters, and windows or doors on all sides. The stove stood in the center of the room.

In 1908 a modern building was erected. It was described in the "Texas School Journal of 1909, as being, one of the very best county one-room schoolhouse in the United States..... well built, hygienically lighted, heated and ventilated. Mr. H. C. Olle, then a trysteem deserves a great deal of credit for the interest and effort he put forth in the erection of this building. Other early settlers who deserve hornorable mention are Mr. Young, who donated the first land for the white school, and Mr. Oatman, who set aside a part of his property for Mexican and Negro schools.

In 1914, Maha School was honored with a prize of $100 through a county-wide contest for beautification and sanitation of school grounds. We honor the efforts of the teacher and pupils who were able to show their appreciation of the Maha we love.

Most of the present residents of Maha have memories of school days in this building.

The teachers of Maha, men and women, have left their influence on the hearts and minds of the people, as well as in more tangible evidence such as the piano, the old victrola, pictures, books, planting of trees, and costumes used in plays.

The P. T. A. of Maha has also given loyal support and effort in keeping up the standards of the school, as have many boards of trustees.

But standards and needs of a community change, and Maha decided that a new school was needed; so in the summer of 1935, an optomistic move was made in tearing down the totally inadequate Mexican school and moving the white school over to take its place. The new building will be a modern two-teacher school with the latest in lighting, heating, and ventilation; a lunch room and adequate entertainment facilities.

Now, because of delay in getting funds, the children of Maha, for the first time, are going to school in an old residence, under two teachers. The spirit of our pioneers prevails and we carry on with the vision of a new building soon to be realized for future classes and graduates.

DEDICATION

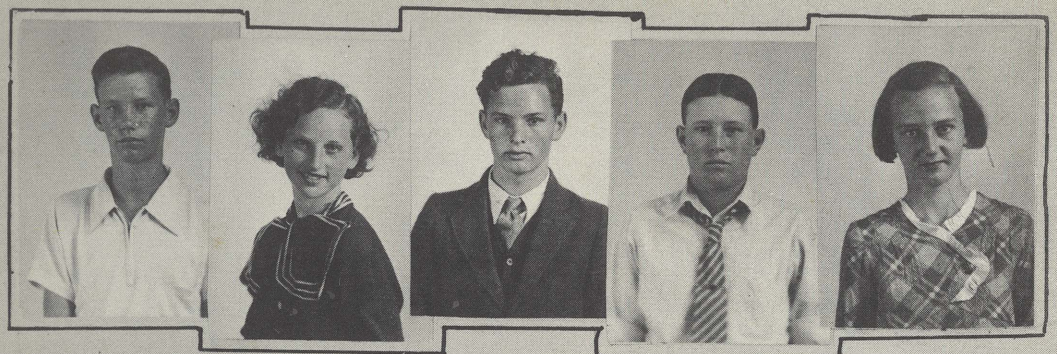

We dedicate this section to our founder, Captain Merrill, who came to Texas in 1837, and established the present settlement of Merrill-town. At that time there was not another settlement to the Rockies.

Captain Merrill was a noted Indian fighter and many tales are told of his daring and narrow escapes. He had a store where the stage stopped on its route through Texas. He was one of Texas earliest postmasters. He assisted in laying off Congress Avenue in Austin, and organized and was Captain of a company of Texas Rangers in 1839.

History

New Sweden, formerly known as "Knights Ranch" is located about seven miles north of Manor. It was not until the New Sweden Lutheran Church was incorporated that it came to be called New Sweden.

The first families to settle in this community were: Sven Johan Lyckman, Carl Lyckman, A. F. Anderson, A. J. Anderson, Johan Axell, Claus Axell, C. M. Nygren, C. P. Peterson, Carl Monson and Mels Olson. They settled in the community between the years 1873-1880.

The first cotton gin in the community was built in the year 1882. It was known as the "Anderson gin". A Post Office was established in 1886. It received mail once a week. Axel Seaholm was the first postmaster and Julius Seaholm the first mail carrier. The New Sweden telephone exchange was built later. This exchange is still in service. The first school was held in the Lutheran Church with Claus Bergstrom as teacher. Later a one-room school was built. The present school building was built in 1916.

THE FIRST SCHOOL AT COLTON SUBSEQUENTLY PILOT KNOB WAS ESTABLISHED IN 1892. IT WAS SITUATED ABOUT ONE AND ONE-FOURTH MILES SOUTH OF THE PRESENT SCHOOL. IT BOASTED AN ENROLLMENT OF SOME FIFTEEN OR TWENTY PUPILS UNDER THE GUIDANCE OF MRS. MCKUEN, THE FIRST TEACHER.

PILOT KNOB WAS SO NAMED FROM THREE HILLS THAT ARE IN THE COMMUNITY. HUGE ROCKS ON THE GROUND INDICATE THAT THESE HILLS WERE ONCE ACTING VOLCANOS. THEY ARE MOST BEAUTIFUL IN THE SPRING WHEN THEY ARE COVERED WITH BLUEBONNETS, THE STATE FLOWER.

THE FIRST SETTLERS WHO CAME TO PILOT KNOB WERE DONALD MCKENZIE AND JAMINE MCKENZIE. THEY WERE OF SCOTTISH DESCENT AND SETTLED HERE IN 1866. OTHER OLD SETTLERS WHO CAME IN 1880, ARE MR. & MRS. FRED SASSMAN.

PILOT KNOB WAS FIRST NAMED COTTON, BECAUSE OF THE LARGE COTTON CROPS RAISED IN THIS SECTION, BUT IT WAS LATER CHANGED TO COLTON, WHEN A POSTOFFICE WAS ESTABLISHED.

History

THE FIRST SCHOOL AT PLEASANT VALLEY WAS ESTABLISHED SIXTY-NINE YEARS AGO. IT WAS A PRIVATE SCHOOL IN A LOG HOUSE ON THE OLD WALDEN PLACE. THIS WAS DURING THE TIME WHEN INDIANS WERE PREVALENT. THE TEACHERS WERE MR. STRINGER, JENNIE PARRISH AND MRS. MUNN. THREE YEARS LATER THERE WAS A PUBLIC SCHOOL BUILT ON WHAT IS KNOWN AS THE SCHOOL FLAT. THE LAND, ABOUT ONE AND ONE-HALF ACRES, WAS GIVEN BY EWAN WILLIAMS. THE FIRST TRUSTEES WERE HUGH WALDEN, EWAN WILLIAMS AND FENDRICK SMITH. THIS SCHOOL BURNED IN 1885. AFTER SOME DISPUTE OVER LAND TITLES, THE BUILDING WAS REBUILT, BUT IT BURNED IN 1931. IT WAS RE-BUILT THE FOLLOWING YEAR. MRS. ROY HOLLAR TAUGHT THE FIRST SCHOOL IN THE NEW BUILDING. IT WAS DURING THAT YEAR THAT THE SCHOOL WAS STANDARDIZED.

THE FIRST SCHOOL HOUSE WHICH STOOD IN THE COMMUNITY, NOW KNOWN AS ROSE HILL, WAS NAMED NELLEVILLE, IN 1879. AT FIRST IT WAS USED AS A DWELLING PLACE. A MR. FR ANKENSTEIN IS CREDITED WITH THE BUILDING OF THIS SCHOOL.

ONE YEAR LATER, MR. HENRY NELLE DONATED ONE HALF ACRE OF LAND FOR A SCHOOL, AND ONE HALF ACRE FOR A CEMETERY.

PRIOR TO 1880, THERE WAS NO CHURCH IN THE COMMUNITY, CONSEQUENTLY, THE SCHOOL HOUSE ALSO SERVED IN THAT CAPACITY. HOWEVER, IN 1880, MR. HENRY NELLE DONATED AN ADDITIONAL FOUR AND ONE-HALF ACRES OF LAND FOR CHURCH GROUNDS, AND A CHURCH WAS ERECTED ON THE SAME.

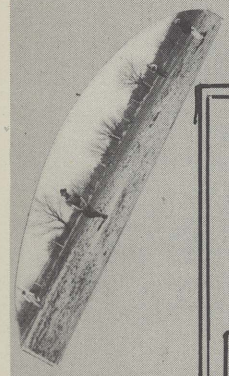

IN THE SAME YEAR, ROSES WERE PLANTED ON THE GROUNDS AND THE NAME WAS CHANGED TO ROSE HILL. THE SCHOOL HOUSE WAS THEN REBUILT AND WAS MOVED A LITTLE FARTHER NORTH.

IN 1919, THE BUILDING, PREVIOUSLY MENTIONED, WAS TORN DOWN AND REBUILT, THIS TIME INTO A TWO-ROOM BUILDING. SINCE THEN IT HAS SEEN IMPROVEMENTS FROM YEAR TO YEAR.

The Schiller School was first organized in 1889. Mr. Vince Schiller gave the land for the school. Mr. Townsend and Mr. Henry Neidig went through the community on horseback to get parents to sign to send their children to school. It was necessary to have eighteen students in order to have a school. The people of the community met and built the one-room school house. Among those who helped were: Henry Neidig, Sam Dusek, Vince Schiller, (after whom the school was named), Frederick Klaus, Matthew Prokschl, John Marsh, Joseph Dusek, Joe Schiller, Vince Dusek, Jim Walling, John Holnek, Joe Jasek and a Mr. Bazle. The people of the community furnished the fire wood for heating. Mr. Henry Neidig, Mr. Joe Dusek, and Mr. James Walling were the first trustees and served for many years.

In 1894, as the scholastics grew in number, the room was enlarged to about the size of 60 x 30 feet. In 1916 a new one-room building was acquired, and Mr. Henry Neidig bought the old school for $100. He built his home, which still stands from the lumber.

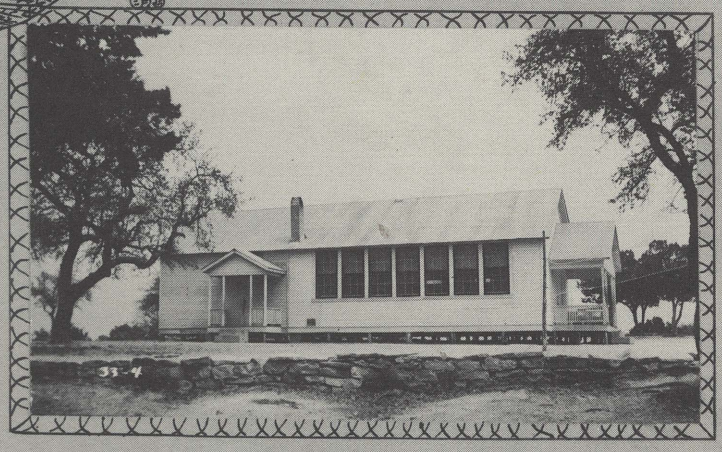

In 1926 a second room was added, made necessary through growth in enrollment. That is the present school house. It was built by Fred Rose and Willie Kruger.

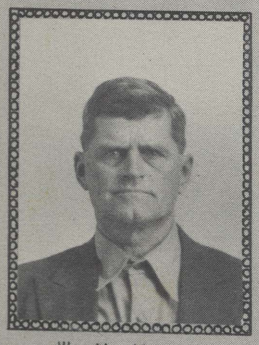

The school has always had a large enrollment, and most of the teachers have been men, until recent years.

The present school teachers are Mrs. Louise T. Joiner, Principal, who has taught there two years, and Miss Eddie Ruth King, primary teacher, who has taught there the past four years.

HISTORY

A SCHOOL WAS ESTABLISHED AT HUDSON BEND AND ONE AT HIRSH CREEK, ABOUT 1890. THEY WERE BOTH ONE-ROOM BUILDINGS WITH A FEW PUPILS IN EACH SCHOOL. LATER, THE TWO SCHOOLS WERE COMBINED AND A ONE-ROOM BUILDING ERECTED AT THE OLD TECK STORE. THE SCHOOL WAS MOVED TEN YEARS AFTERWARD TO ITS PRESENT SITE, LOCATION WAS GIVEN BY MR. LEONARD ECK.

AS ALL THINGS GROW AND PROGRESS, SO DOES TECK SCHOOL. SOME CHANGES HAVE BEEN MADE EVERY YEAR TO OFFER BETTER ADVANTAGES TO OUR CHILDREN. EACH YEAR THE ENROLLMENT HAS INCREASED UNTIL, IN 1931, IT WAS NECESSARY TO BUILD AN ADDITIONAL ROOM. AT THIS TIME, CLOAK ROOMS AND A BOOK CASE WERE ALSO ADDED. THE ENTIRE BUILDING WAS REMODELED AND PAINTED.

IN 1932, TECK SCHOOL ENTERED THE COUNTY MEET FOR THE FIRST TIME. WE ARE VERY PROUD OF THE RECORDS WE HAVE ATTAINED AT EACH MEET, ESPECIALLY IN 1936, WITH SIX FIRST, FIVE SECOND, FIVE THIRD, AND THREE FOURTH PLACES.

ANOTHER MILESTONE WAS CROSSED IN 1932 WITH THE ORGANIZATION OF THE PARENT-TEACHER ASSOCIATION. IT HAS GROWN IN STRENGTH EACH YEAR AND HAS BEEN A GREAT BOOST TO THE TEACHERS AND CHILDREN. ITS MEMBERS ARE ALWAYS INTERESTED IN SCHOOL WORK AND EAGER TO CO-OPERATE IN EVERY WAY FOR THE ADVANCEMENT OF THE SCHOOL.

TECK SCHOOL WISHES TO DEDICATE ITS SECTION OF THE YEARBOOK TO MRS. J. W. - SYLVESTER.

MRS. SYLVESTER WAS ONE OF THE EARLIEST TEACHERS IN THE THREE SCHOOLS OF OUR COMMUNITY.

SHE TAUGHT THE PARENTS OF THE CHILDREN NOW ATTENDING TECK SCHOOL. SHE HAS ALWAYS BEEN AN ARDENT SUPPORTER OF OUR SCHOOL AND IS BELOVED BY EVERYONE.

History

The first school taught in what is now District 50 was taught in 1879 in an old picket house on the old Allen farm by Miss Annie Gambee. She sat in a home-made chair. The children sat on benches made of split elm logs dressed smooth. Auger holes were bored in the rough side and stakes driven into them for legs. Each bench furnished seats for five or six pupils.

About 1881 the first school house in this district built for school purposes alone was located on the Jim Brewton farm, hence the name Brewton Springs. Then the north side of the Colorado river was in District 50. This was the most centrally located and several good terms were taught there. Will Harmon, Mr. Caldwell and Jim Finley were among our teachers in the "eighties". Then came a split caused by a shift in scholastics and a small house was built at Walnut Springs on the old Hugh Allen place in the west end of the district. As years passed the two houses in one district proved too many, and the term was taught half at one house and half at the other. Finally the Walnut Springs house burned.

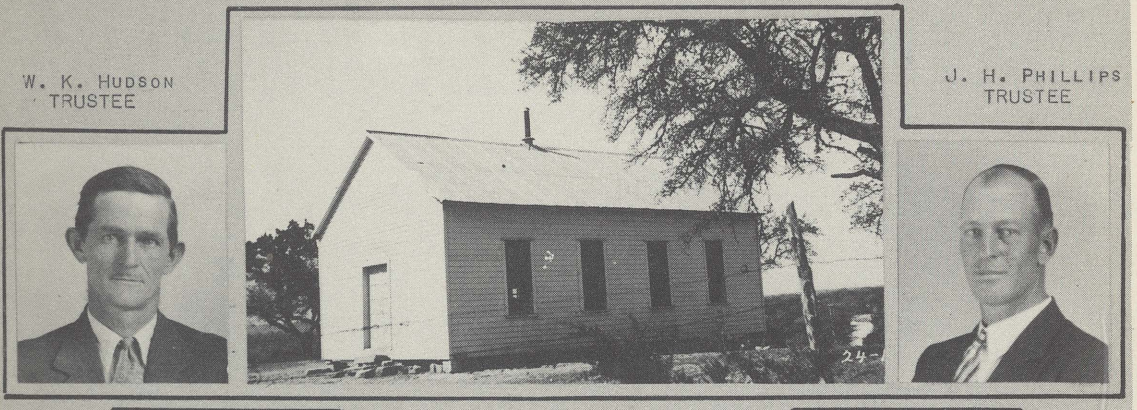

About 1896 the Brewton Springs house was moved to a point on the Thomas Riley place near the present school house.

In 1904 it was again moved to Brewton Springs, remodeled and seated. This caused trouble and four or five years later enough of the lumber was used to build the present house as it is today. In the "eighties" forty to fifty pupils attended school at Brewton Springs. Since that time we have never had that number, but for ten years our enrollment has grown until now it is thirty-four scholastics. Since 1902 my wife and I have furnished a home at our place for fourteen teachers throughout the term. They are as follows: Miss Mattie Morgan, Miss Estell Hinkell, Miss Bernice Bolton, Miss Katie Clark, Miss Leona Hill, Miss Bernice McCowen, Miss Nettie Joyce, Miss Eartie Caldwell, Miss Hattie Robinson, Miss Gertrude Sloan, Miss Irene Hardin and Mrs. Reed.

A school kid for ten years and a trustee for thirty or more years in this district, I am yours,

AN OLD LOG BUILDING STOOD ON THE SPOT WHERE THE PRESENT BUILDING STANDS. THIS PRESENT BUILDING WAS PUT UP IN THE LATE 60'S OR EARLY 70'S. AMONG THOSE WHO HELPED BUILD IT WERE: WILLIAM HARRELL AND JOHN M. KING, FATHER OF AL KING.

"UNCLE BILLY" HARRELL ATTENDED CYPRESS SCHOOL, AND SUBSEQUENTLY MARRIED ISABEL STEWART, A CYPRESS FORMER STUDENT. THEIR 6 CHILDREN ALL LEARNED THE 3 R'S AT CYPRESS.

THE FIRST TEACHER AT CYPRESS WAS J. C. ROBEY WHO CAME FROM ILL. THE SECOND TEACHER WAS JAMES KELLY FROM TENN. WHO LIVED AT KELLY SPRINGS NEAR THE SCHOOL BUILDING.

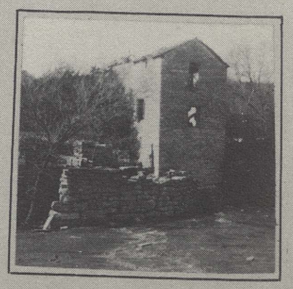

THE SCHOOL WAS LONG USED AS A CHURCH AND SCHOOL.

The first school in Cedar Valley community was held in a one-room log house belonging to Mark Thomas. The ground on which Thomas Springs school and church now stands was a grant dated June 17, 1867 to Mark Thomas who came from Fairy Glen, Rockingham County, Virginia. He was staying on George M. Heisner's place and died there.

Hugh McClure was appointed administrator of Mark Thomas' estate. Mr. Heisner bought the property and gave two acres for a church and school

In 1875, a box frame, unsealed building was constructed. The materials were purchased with money derived from sale of live stock by members of the community. The lumber was hauled from Brenham saw mills by R. S. Young and Mr. Schwartz. In later years the room was sealed and in 1933 a room was added.

A spring on the property furnished water for the school for many years, hence the name, Thomas Springs. School has been held there continuously since the beginning.

John W. Young, George M. Heisner and Adolph J. Trautwein were the first trustees. Others were George Dittmar, Roberts S. Young and John R. Morgan who served many years.

Due to the long distance from school many children attended for short periods. Some rode horseback or walked five or six miles.

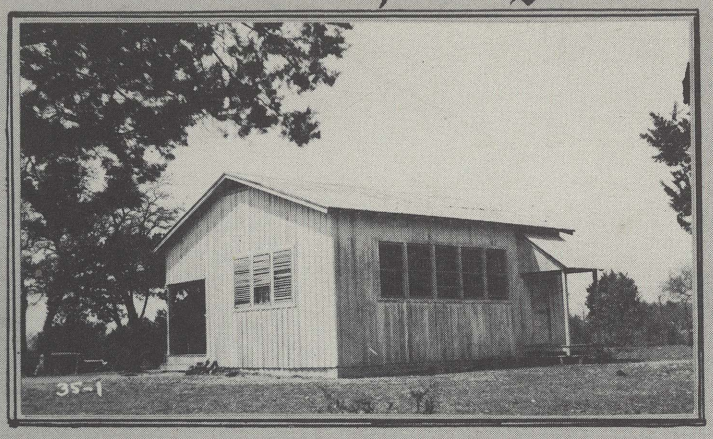

In 1891, a box frame one-room school house called Mud Springs was moved from above Cedar Valley to the Gus Cezeaux place. Mrs. Myra Nolen Heisner was the first teacher. School was held here the same time as at Thomas Springs until 1898. During this time, Norwall Mowinckle, Rufus M. Stiles, and John R. Morgan had been elected trustees. It was in 1898, that the first consolidation of schools in Travis County took place. One teacher, W. H. Bishop, was employed to teach both schools four months at each place at a salary of $33.33 1/3 per month. One year, school began first at Thomas Springs, the next year at White Hall. This arrangement continued for about ten years. Then the White Hall building was sold and all children went to Thomas Springs. From these Schools, eighteen pupils became teachers. Robert Lee Young was the first, Lynn Young was next in early days.

In 1903, several pupils with no further schooling than that offered by these schools, passed first grade teacher's examinations.

THE OLD BITTINGS SCHOOL HOUSE WAS BUILT IN 1895 ON ACRE OF LAND DONATED BY CAPT. J. W. RAMIE.

AT FIRST, THE SCHOOL TERMS WERE THREE OR FOUR MONTHS, BUT THE ENROLLMENT WAS QUITE LARGE. PROFESSOR RAMIE, ONE OF THE FIRST TEACHERS, TAUGHT ABOUT FIFTY PUPILS IN ONE ROOM; CONSEQUENTLY, MANY HAD TO SIT IN THE WINDOWS, ON THE FLOOR AND THREE IN ONE DESK.

THE PRESENT SCHOOL, ERECTED IN 1908, IS LOCATED BETWEEN THE COTTONWOOD CREEKS. IN 1908, THE ENROLLMENT WAS THIRTY-FIVE AND THE TERM WAS SIX MONTHS. THE PATRONS HAD DONATED FUNDS FOR THE SCHOOL, BUT IN 1913 THE TRUSTEES BOUGHT THE PROPERTY.

COTTONWOOD IS SELF-SUSTAINING WITH A TWENTY CENT SPECIAL TAX. THE TERM WAS LENGTHENED IN 1928, IT WAS STANDARDIZED, MAINTAINING ITS STANDARD TO THE PRESENT TIME. THE PARENT-TEACHERS ASSOCIATION, ORGANIZED IN 1928, IS VERY ACTIVE AND COOPERATIVE.

The Carl School is located 12 miles southeast of Austin on the main Lockhart-Austin highway.

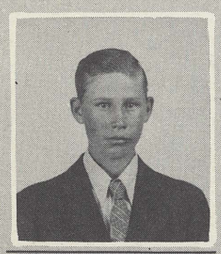

It was built in 1916 of plain white pine and consisted of two rooms. At that time there were two teachers employed but with decrease in scholastic enrollment, the school now has only one teacher with an enrollment in 1936 of about thirty-five.

Mr. Geo. Culver who is still a citizen of the Carl community, was president of the first school board. The present school trustees are: A. I. Howland, J. J. Cearley, and Geo. B. Dittmar.

A modern two-register furnace was installed this year, contributing much to the comfort and health of the children.

The Fairview School was founded many years ago. The exact date is unknown. The land for the school was donated by Mr. Bell Turner, who now resides near Austin.

The house that stands now was erected in 1909, and is on the same tract of land as the first building. The school has always employed only one teacher. Several efforts have been made to consolidate Round Mountain and Fairview. So far all efforts have proved unsuccessful.

History

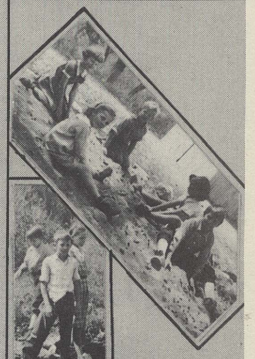

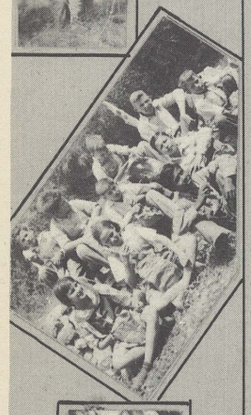

The Eanes Community, five miles west of Austin on the "Bee Cave" Road, is one of the most attractive communities in Travis County. The hills are covered with cedar, mountain laurel, and other native shrubs. In the spring the air is fragrant with redbud, wild plum and cherry blossoms while the valleys are covered with bluebonnets. Small wonder then, that this drive is so popular!

It is rich in historical lore. The Indians from miles around gathered under the huge live oaks on Smith Creek to make arrowheads from the flint rock. Arrow heads, and occasionally a tomahawk, are still found on the school ground and neighboring tracts of land. A circular rock basin, three feet in diameter and some eightenn inches deep, is in front of the school door. Here the Indians pounded the corn or acorns into meal.

In the days when trade was forbidden between the French in Texas and the Spaniards in Mexico, the mountains round about afforded safe "hide-outs" for the smugglers.

This community was settled during the early days of Texas. When Robert Eanes came from Mississippi in 1862, he found several families living in the Eanes Community. He and George Norvell built the first school and named it the Eanes School. School funds were very limited and often there was no crayon. Then the boys would go down to the bluff nearby, and get pieces of lime rock which made a good substitute. A few years later the school house burned. For three or four years school was held in a little log cabin. The people realized that a school building was necessary so when Anderson Teague willed two acres of land to the school and church, the present building was constructed. For many years it has been inadequate for the needs of the community. Several unsuccessful attempts were made to construct a modern school building. On April 25, 1936 a $3500 bond issue was voted on, so the Eanes community will soon have an attractive modern school building constructed of native stone.

HAMILTON POOL SCHOOL

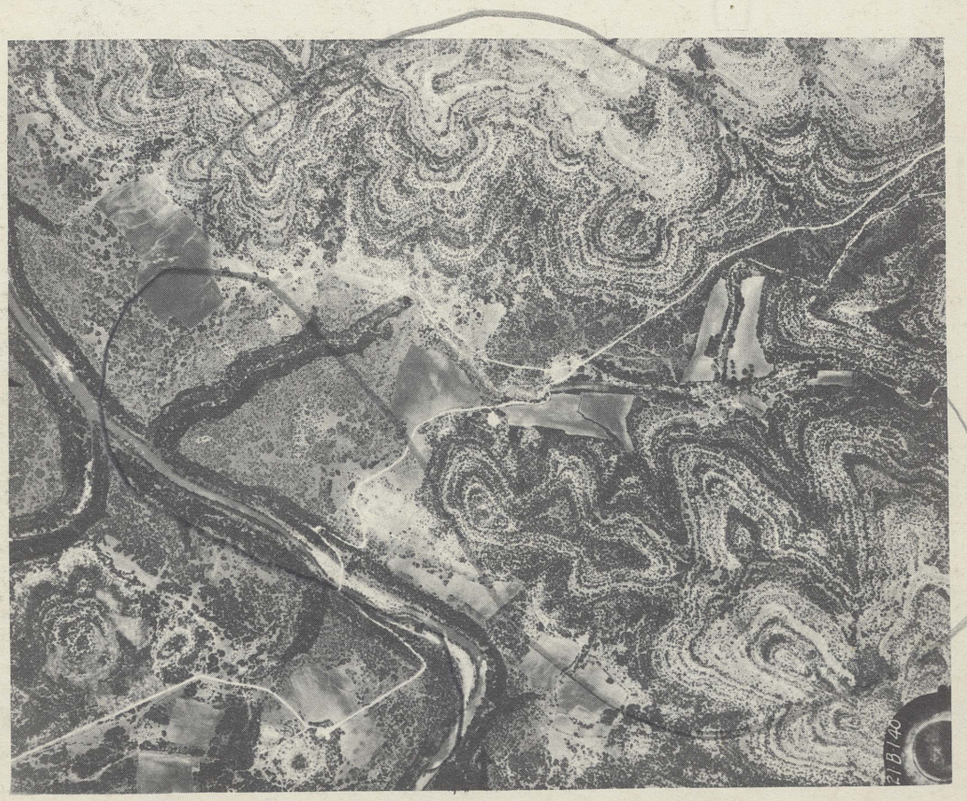

Hamilton Pool School is located 32 miles northwest of Austin on Hamilton Creek. The beautiful Hamilton Pool, for which the school was named, is located about 1/4 mile north of the school. The Pedernales River runs along one mile west of the school. This is one of the most beautiful sections of Travis County, and each year hundreds of people come to fish and to see the beautiful scenery for which this section is noted.

The first school was built in this community about 50 years ago, and was located 1/2 mile southeast of the present one. It, like all other early pioneer schools, was poorly equipped, and the school terms were short.

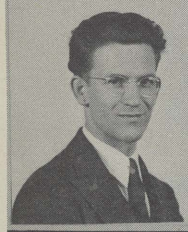

The people in the community have always worked to make their school the best, and in 1920 Mr. H. Neimers, owner of the beautiful Hamilton Pool, gave two acres of land on which the present school is built. The plan was secured from the State Department of Education, a School Bond was voted, and the school house was built that year. It is now one of the best equipped rural schools in Travis County and receives state aid each year.

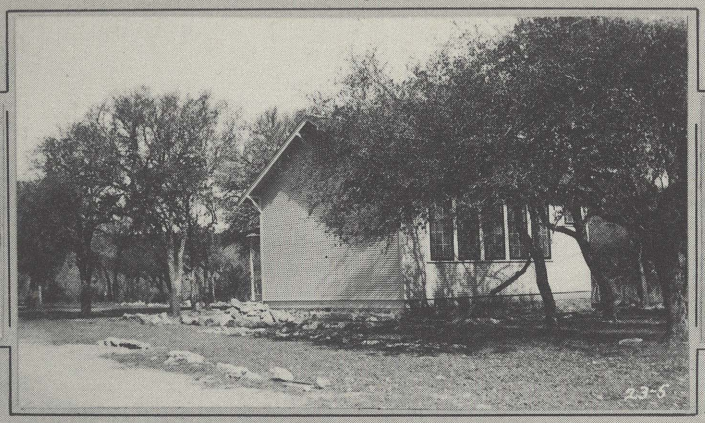

Through the earnest work of Mrs. Ruth Hunnicutt Haynes who taught here a number of years and who is sister of the present teacher, Mrs. Amy Goebel, the school became a grade "A" school.

The Community is highly interested in their school, and each year they strive for something better.

History

Our first school house was located at Cat Hollow, about three miles from where Pleasant Grove School is now. The school building was crude and inadequate; therefore, in 1916 the people of the community built another one and located it nearer the center of the center of the community. They sold the Cat Hollow school building for ten dollars. D. B. Gracy donated two acres of land for the new one. The new location was north of the old one, thirty miles west of Austin, twelve miles east of Spicewood, and in the Paige bend of the Colorade River.

The community donated $300 in the early part of 1917 and hauled the lumber out from Austin in wagons, taking two days to do it. The men of the "Paige Bend" community donated their labor and completed the school building in three weeks.

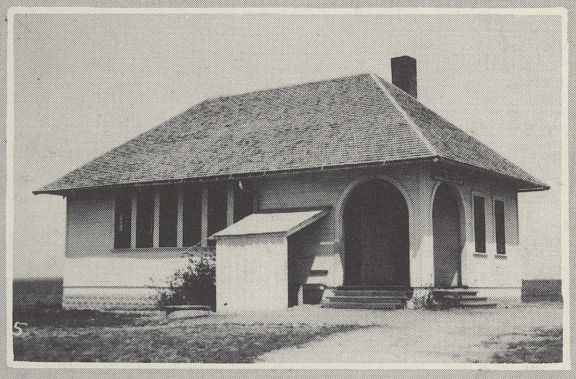

The first teacher was Miss Bessie Bohman. Twelve children went to school the first two or three years. Later the enrollment increased to forty children. The school has had State Aid from 1921 to 1936 continueously. The school house was rebuilt and improved in 1929 to meet State requirements; and a $1000 bond voted by the community. The school house was reshingled and repainted in 1936. In 1934 a fence was built around the grounds. More repair and improvement was made in 1935.

Miss Pauline Lewis taught four years, a period served longer than any other teacher. Our present teacher is a very good one with seven years experience. We have fifteen pupils at the present time.

PRAIRIE HILL SCHOOL

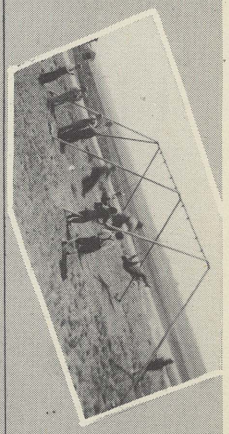

The first school, situated near Brushy Creek, was called Robinson Hill School. Through the efforts of "Grandpa Robinson" this school was built. Later his son Sam, took active part in the school, being so close to the creek it was moved to a higher site bought from Mr. Joe Marek.

The school was then named Schiller School, but was referred to as the "Bohemian School" since the community was mostly Bohemian farmers. Later many of these farmers sold their farms to German people who decided to name the school Prairie Hill. Miss Alice Hamilton was the first teacher.

In 1921 the old schoolhouse was replaced by a one-room building with modern equipment. Early trustees who took great interest in the school were Sam Robinson. Gus Hamann, and Wm. Jaecks. The new schoolhouse was built by trustees, Joe Marek, Alvin Holmberg, and Will Swenson.

The school at present is progressive and has a large enrollment for a one-teacher school.

NICHOLS SCHOOL

IN 1900 AN ACRE OF LAND WAS GIVEN FOR THE NICHOLS SCHOOL BY MR. SAM NICHOLS. THE MEN OF THE COMMUNITY HAULED CEDAR AND TRADED IT FOR LUMBER WITH WHICH TO CONSTRUCT A BUILDING. IT WAS COMPLETED CHRISTMAS DAY. PRIOR TO THIS TIME THE CHILDREN OF THIS DISTRICT ATTENDED THE OAK GROVE SCHOOL. THE F FIRST TRUSTEES OF THE NEW SCHOOL WERE MR. DICK PREECE, AND MR. SAM NICHOLS. MISS FLORENCE HARVEY WAS THE FIRST TEACHER.

IN JANUARY 1929 THIS SCHOOL BUILDING BURNED. MUCH OF THE FURNITURE WAS SAVED AND THE BUILDING WAS RE-BUILT IN SEPT. 1931. IT WAS PLACED ON JOE GILMAN'S LAND, AS THIS WAS NEARER THE CENTER OF THE COMMUNITY. THE MATERIAL FOR THE BUILDING WAS DONATED BY FRANK CLAWSON AND TOM GILLMAN. THIS BUILDING WAS DESTROYED BY FIRE NEAR THE CLOSE OF THE 1932 TERM. NONE OF THE FURNISHINGS WERE SAVED. THE DISTRICT WAS WITHOUT A SCHOOL UNTIL THE 1934-1935 TERM. THE SCHOOL WAS HELD ON THE "OLD PREECE PLACE" IN A LITTLE LOG CABIN. OLD FASHIONED BOARD BENCHES AND BOXES WERE USED FOR SEATS FOR THE CHILDREN AS THER WERE NO FUNDS AVAILABLE TO BUY DESKS. THIS BUILDING PROVED TOO SMALL. THIS CURRENT TERM MR. A. F. MAECHEL KINDLY CONSENTED TO THE USE OF HIS HOUSE ON THE OLD "MABRY PLACE". THIS BUILDING IS FIFTY YEARS OLD AND UNSUITABLE, BUT IS THE ONLY ONE AVAILABLE.

SEVERAL UNSUCCESSFUL EFFORTS HAVE BEEN MADE TO RE-BUILD NICHOLS SCHOOL ON THE ORIGINAL SITE, BUT SO FAR FUNDS ARE INSUFFICIENT.

Round Mountain school was established in the early seventies. The first building was a one room structure made of logs. This served as a school building for about twenty years. There were only six teachers employed during this period, viz. Minnie Watson, Joshie Casis, Nonie Sullivan, Joshie Hickman, J. D. Stephen, Rufus Smith and Billy Smith.

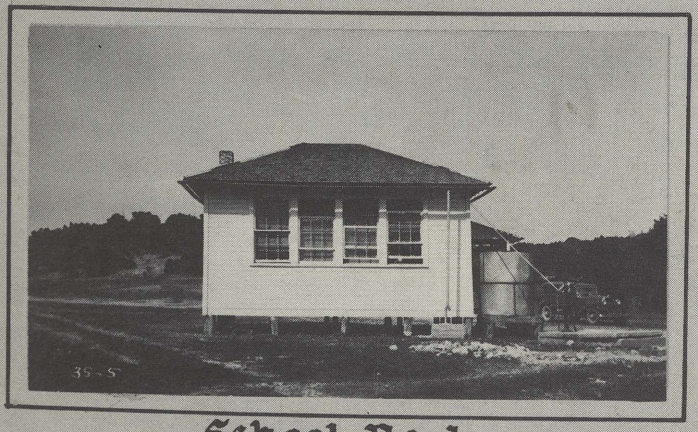

In 1888, the log building was torn down, the logs sold, and lumber purchased for a new building. This new building was erected on land donated by Mr. J. R. Faubion. This building was destroyed by fire in 1929. Some of the teachers who taught in this building were: Daisy Dennis, Tom Barker, Bell McPherson, Birdie Mitcherson, Julia Nelson and Thelma Jones.

The present building was erected in 1929. Those who have taught in this building are: Mrs. Clark Faubion, Louise Thornton, Mary Ruth Chance and Ruby Landry.

TRAVIS PEAK SCHOOL

THE FIRST SCHOOL AT TRAVIS PEAK WAS ESTABLISHED IN THE FALL OF 1880. HERMAN L. HENSEL WAS THE FIRST MAN TO BUY AND BUILD A LOG HOUSE IN THE COMMUNITY, THIS WAS IN 1851 OR 1852. IN 1862 HE MARRIED MISS BERTHA REIDEL OF AUSTIN AT THE HOME OF JUDGE DODGE. THEY JOURNEYED TO TRAVIS PEAK IN AN OX WAGON.

OTHER FAMILIES WERE ESTABLISHING HOMES IN THE COMMUNITY AND A SCHOOL BECAME ESSENTIAL, SO IN JULY 1880, THE MEN OF THE FAMILIES SELECTED W. L. HENSEL, BOB TURNER AND GEO. WEST TO SERVE AS TRUSTEES OF A SCHOOL TO BE ESTABLISHED. MR. HENSEL WAS CHAIRMAN.

THEY DREW UP A PETITION ASKING NEIGHBORS AND FRIENDS TO CONTRIBUTE FUNDS FOR THE BUILDING OF A SCHOOL HOUSE. MR. HENSEL DROVE TO AUSTIN IN HIS WAGON, PARKED HIS TEAM AT JOHN DOEHLER'S WAGON YARD AND STORE ON THE CORNER OF 15TH. AND GUADALUPE, AND CANVASSED AUSTIN FOR FUNDS. THE TOTAL AMOUNT RAISED WAS $87.00.

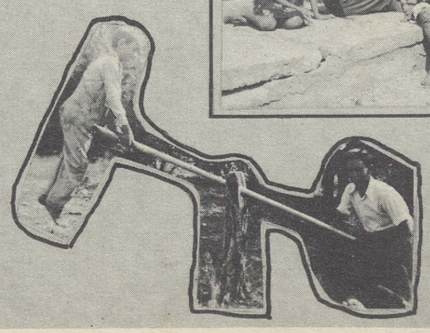

THE SCHOOL, ERECTED ACROSS COW CREEK FROM THE HENSEL HOME, WAS BUILT OF NATIVE STONE AND COVERED WITH HAND-MADE SHINGLES, ALL OF WHICH WAS DONATED BY MR. HENSEL.

MRS. NANNIE DAWSON, MRS. N. C. LAMAR, MRS. M. E. CUNNINGHAM AND MRS. JOE PROWSE ARE TEACHERS WHO ARE NOW LIVING IN AUSTIN WHO HAVE TAUGHT THE TRAVIS PEAK SCHOOL. MRS. E. A. MURCHISON TAUGHT THE SCHOOL IN 1892, MRS. PROWSE (BELLE HENSEL) IN 1898, AND MISS JOSEPHINE PROWSE IN 1932.

TURNERVILLE DERIVES ITS NAME FROM ITS FOUNDER, M.L. TURNER, WHO DONATED LAND AND HOUSE FOR A SCHOOL IN 1880.

THE SCHOOLS' FIRST TRUSTEES WERE M.L. TURNER, A MR. HOMMETT, AND G.M. GAULT WHO IS NOW LIVING IN AUSTIN. IT IS SAID THE FIRST TEACHER WAS MRS. SALLY HENDRICH OF SAN MARCOS.

ENROLLMENT GREW, WITHIN A FEW YEARS, FROM 30 SCHOLARS TO 100, THEREBY REQUIRING TWO TEACHERS. THE COMMUNITY BY 1900 HAD BECOME A PROSPEROUS COTTON CENTER. COTTON PROVED TO BE THE CHIEF SOURCE OF INCOME FOR MANY YEARS, BUT NOW, WITH DECLINE IN MARKET, FAMILIES HAVE MOVED AWAY, REDUCING THE SCHOOL TO ITS ORIGINAL SIZE OF 30 SCHOLASTICS AND ONE TEACHER.

THE SUBSTANCE OF THIS RECORD SUPPLIED BY A FORMER STUDENT OF 1896, MR. W. G. JONES.

History

In 1839, there were residing at Webber's Prairie, Noah Smith, John F. Webber, five brothers named Duty; known respectively as Joseph, William, Mathew, George and Richard; Washington Anderson; his father, Dr. Thomas Anderson; four brothers named Hamilton, Alexander, Williams, and John; David Shely, James Dodd, Joseph and James Manor; Mrs. Scott and her daughter, Mrs. Hopkins. It is believed that James Casner and Crawford Edmiston were also there at this time. There were perhaps a few others in the vicinity. These settlers had built a fort into which all the families of the neighborhood had gathered when an alarm was given. This was probably Fort Coleman, on Coleman Branch at the lower end of the prairie; although Webber built one at his home near the river bluff where the village of Webberville now stands. While the women and children were housed together in a fort, the men went out in a body to their small farms; kill game for meat; and to hunt Indians when necessary.

John F. Webber, as stated elsewhere, was the first settler of the prairie. He built his cabin where the river makes a short turn to the southeast, nearer the place where the first dwelling of John B. Banks was afterwards erected. Webber was represented as being an honest, conscientious man, well liked by his neighbors. Contempt of his relatives finally prompted him to sell out and move to Mexico. It was in 1851 that Webber sold his possessions to Col. Banks.

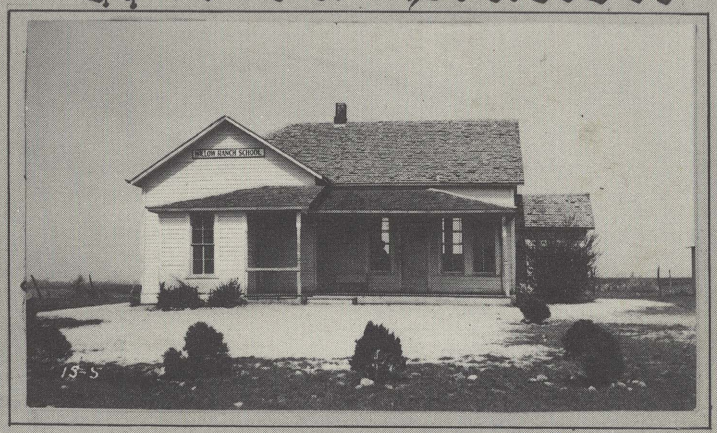

Colonel John Banks came from Washington County to Webber's Prairie where he opened a large farm, and shortly afterward, laid out the town on the lower front called Webberville. The village became a flourishing one and continued to prosper until the arrival of the Western Branch via. Manor to Austin, when it ceased to grow. It is surrounded by a rich farming country; the people are intelligent, educated and hospitable. After the close of the Civil War, Col. Banks sold his plantation to Carson Burleson and removed to Galveston, where he died. Col. Banks was a member of the legislature from Travis County in 1853.

The following is an Indian story taken from Indian Depredations in Texas, by J. W. Wilbarger. It tells of how Mr. Joseph Manor killed an Indian. His son, Mr. H. L. Manor, is now living in Webberville.

In the latter part of the winter of 1844, Mr. Manor and Mr. Nash formed a partnership in the mercantile business. They had received their first supply of goods at Webberville, where they were established in business. As they were engaged in marking and invoicing the goods, their attention was attracted by the snorting of a mule that Mr. Manor had staked near his room for safe keeping. He stepped out to see what it was that had alarmed his mule, and discovered three Indians approaching it. As the Indians drew near it, the animal snorted loudly, and endeavored to break the rope by which it was staked; whereupon one of the Indians let fly an arrow and shot it through the body. Mr. Manor slipped back into the house, seized his gun, and said to Mr. Nash; "There are Indians out yonder. They have killed my mule. Take my pistol on the counter and let's go out and fight them." But Mr. Nash did not hear what he said about the pistol and followed him without any arms. As they turned a corner of the house, they saw an Indian standing at the opposite one, and Mr. Manor fired at him, killing him. When the Indian fell, Mr. Nash drew his knife from his pocket and started to go to him, saying he wanted to scalp the Indian in revenge for their scalping his father, but Mr. Manor held him back saying there were other Indians near, and that he might lost his own scalp.

MAY FETE ROYALTY—Two queens ruled over the 25th annual May Fete staged at Round Rock recently under the sponsorship of the Martha Society of the Palm Valley Lutheran Church. Highest royalty in the tiny tot division was Carolyn Jean Burklund, left, daughter of Mr. and Mrs. Reuben Burklund of Georgetown. In coronation services conducted by Colonel W. Ross Irwin, Marilyn Jacobson, daughter of Mr. and Mrs. Walter Jacobson of Round Rock, was crowned "Queen of the May." Kings were Jimmie Wallin, for the junior division, and Robert Johnson Jr.
