Schedule and Location for Travis County Criminal Courts' Jury Selection, Trials, and Deliberations

***The Voir Dire Calendar extends through April 7, 2022 to allow each District Court 2 dates to serve as primary court. This schedule takes effect when Travis County enters Stage 3 of COVID-19 Community Risk. If we enter Stage 3 later than 11/1, the schedule will begin at that later date. This calendar will be amended as needed according to the County stage of Community Risk. All revisions to this schedule will be distributed to the relevant stakeholders.**

District Courts –The Auxiliary Courtroom, located on the 1st floor of the Blackwell-Thurman Criminal Justice Center will be used as the location for one felony voir dire each week. To ensure social distancing, each panel of 90+ jurors will be summoned in groups of 30+ beginning each week on Tuesday, Wednesday, and Thursday. Jury trials will begin the following Friday or Monday in the court of jurisdiction. The courtroom adjacent to the court holding the jury trial will be used for jury breaks and deliberation.

There is a primary court scheduled each Tuesday – Thursday for voir dire and one backup court. If the primary court does not have a trial ready, the backup court will be given the opportunity to take the panel. **Prior to cancelling the panel, the backup court should email the remaining courts to see if ANY court wants the panel**. The backup court will contact the Jury Office and cancel the panel if they pass on the panel and/or no other court has a trial ready.

Courts will give priority to in-custody cases.

The Jury Office needs a minimum of 6-8 weeks to summons a panel.

If the primary court does not have a trial ready, the backup court(s) will be given the opportunity to take the panel. **Prior to cancelling the panel, the backup court should email the remaining courts to see if ANY court wants the panel.** The backup court will contact the Jury Office and cancel the panel if they pass on the panel and/or no other court has a trial ready.
