Be it remembered that the County Board of Education met in the office of the County Superintendent on Tuesday, Feb. 3 at 10:30 A.M.

The following members were present:

R. H. Lowry,
B. H. Giles,
H. S. Wilson,
E. F. Blackwell,
Judge Wm. Pfenning.

The minutes of the previous meeting were read and approved. Upon the recommendation of Drs. Blackwell, Mrs. E. L. McMahan was appointed as school trustee in District #44 to take the ~~place~~ of J. H. Berry, who had moved out of the district. The board also approved the appointment of Oscar Carlson as trustee of Eanes School, and Robert Kirschner as trustee of the Fiskville School.

On motion of Judge Wm Pfenning, the board voted to go on record as being opposed to House Bill 162, which proposed to abolish the Teachers' Institute.

It was voted that the apportionment for the County Administration fund be raised to eighty cents per capita instead of seventy-five as heretofore, since we lost eighty-six scholastics to the City during the year.

The next business to come before the board was the appointment of the census enumerators. In case of any enumerator not being to serve, Mrs. Felter was given the power to appoint a substitute.

The board next heard the petition of A. L. Kieke, who asked that his property, consisting of 200 acres, which is now assessed in the Bluff Springs school district, be transferred to the Pilot Knob school district, number 67. After a detailed explanation, the board voted that the transfer be allowed, upon the furnishing of proper field notes by Mr. Kieke, at his expense, and that County Clerk be authorized to make his transfer from these notes.

There being no further business the board adjourned.

The county board of education met in the office of the Co. Supt. on May 5, 1925, with the following members present:

R. N. Lowry,
T. F. Blackwell,
B. H. Giles,
W. S. Wilson.

The minutes of the previous meeting were read and approved. Mrs. Felter presented a list of the schools which had held no election, also a list of those trustees who had been elected but failed to qualify within the time required by law.

A motion to appoint all old trustees in those districts where no election was held, was withdrawn and the following appointments were made: #6, Pleasant Valley, A. C. Champion and F. W. Hunter; #38, Pleasant Hill, H. S. Lawson and Lee Connell; #39, Bluff Springs, T. C. Bradshaw

Ed. H. Vance, and Frank J. Dittmar; #48, Eanes, F. H. Johnson and Oscar Carlson; #50, Brewton Springs, Herbert Allen and R. P. Patterson; #53, Teck, S. W. Stewart and Oscar Collier; #59, Pleasant Grove, Robt. Lindsay and E. V. Cox; #60, Fairview, J. W. Kirk and W. D. Maynard.

Mrs. Felter was given the power to appoint all those trustees who were elected but who failed to qualify within the 20 days specified by law, subject to the approval of the county board of education at its next regular meeting.

Two petitions from patrons of Dry Creek School, #37, were considered. One of these requested that H. E. Miller be appointed as trustee to succeed himself; the other asked that Will Ross and Aleck McAngus be appointed. It developed that Will Ross was a hold-over and would therefore need no appointment. As the petition in favor of Aleck McAngus contained a greater number of signatures, W. S. Wilson moved that he be appointed. The motion was adopted.

B. H. Giles, who had been requested to examine the location of the land of A. R. Parsons, gave a detailed account of its location, illustrating by means of drawing, and presented a petition signed by seven residents of the Littig School, #30, asking that their land be transferred to the Cottonwood school, #29. Upon motion of B. H. Giles the petition was granted, with the understanding that proper field notes should be furnished by the owners of these tracts of land, and that in case of a necessary election, all expenses should be paid by A. R. Parsons.

Mrs. Felter suggested that a county-wide graduation, where all children of the county come together with the county board and school officials to receive their diplomas of graduation. She also suggested an all-day meeting of trustees, teachers, and patrons of the county school, to be held in October. The meeting then adjourned.
