

data & data

data access & technical assistance service

Travis County HHS, Research & Planning Division

OUR SERVICES

DATA REQUESTS

We can provide public population data to support your organization's service planning and/or funding efforts.

- Single statistic
- Chart, table, or graph
- Map
- Spreadsheet of data

TECHNICAL ASSISTANCE

We can help you build capacity in researching, analyzing, and visualizing your data.

- Coaching on accessing and navigating public data sources online
- Extracting meaningful information
- Creating compelling data visualizations

MUST MEET CRITERIA

- Support local service delivery and community planning
- Focused within the geographic scope of Travis County
- Accessed from free, public use data sources
- Falls within areas or topics related to health and human services.

Example subjects:

- General demographics
- Older adults & disabilities
- Basic Needs
- Education
- Early childhood
- HHS legislative issues
- Housing
- Poverty & economic hardship
- Workforce

2 WAYS TO MAKE A REQUEST:

1. Email HHS_R&P@traviscountytexas.gov with a brief description of your data or technical assistance need, and approximate date by which you need it.
2. Complete the online survey at: <https://www.traviscountytexas.gov/rp>

Note: All requests will be considered on a case-by-case basis, according to the complexity of the request and the staff time available
