Complete Intex to Naturalization Records of Travis County, prepared by the State Wide Records Project of the W.P.A., sponsored by the Department of Justice through the Naturalization and Immigration Division of the Federal Government. It took several months to compile this record by a staff of workers under the direction of Mr. E. C. Duke, District Supervisor; (without cost to Travis County) This is a complete record of Naturalization proceedings in the Probate County and District Courts of Travis County; at the time the County was organized, either of the three Courts handled Naturalization matters. Since 1906 all such matters have been handled by the U. S. District Courts. The preparation of this record was in line with a general program over the entire Country, and the copy of the record was given the District Clerk's office for the co-operation it gave the Staff that worked here on the project.

Requests for information in regard to Naturalization Records have been numerous recently, due to Social Security Laws, Old Age Assistance Benefits and war conditions requiring the establishment of citizenship. Between 4000 and 5000 names are on the Index.
